SITE ACTIVITIES TO BE PERFORMED

- No site activities are planned for the week of September 29 to October 3, 2014.
- Complete bimonthly Site observation walk during week of October 6 to 10, 2014.
- Materials and debris will be removed from three Site buildings starting on October 6, 2014. We currently expect this work will take approximately 2 weeks to complete and also include limited brush cutting and clearing around the buildings. No soil will be disturbed as part of this activity.
