FILE NO.: Dam State I.D. 742

NOTICE OF VIOLATION

A. Introduction

Pursuant to Sections 42-17.1-2(21) and 42-17.6-3 of the Rhode Island General Laws, as amended, (“R.I. Gen. Laws”) you are hereby notified that the Director of the Department of Environmental Management (the “Director” of “DEM”) has reasonable grounds to believe that the above-named parties (“Respondents”) have violated certain statutes and/or administrative regulations under DEM's jurisdiction.

B. Facts

- (1) The subject property is a dam identified as Creamer Dam, State Identification Number 742, located on the east of Main Road, south of West Ridge Road and north of the northern end of Mallard Lane, in the town of Tiverton, Rhode Island (“Dam 742”).
- (2) The Respondents own Dam 742.
- (3) Dam 742 is classified by DEM as High Hazard.
- (4) In certified letters from DEM to the Respondents dated September 15, 2010, which the Respondents received on September 27, 2010, DEM forwarded a registration form for Dam 742. The Respondents were required to complete and return the forms to DEM by October 11, 2010.
- (5) On September 29, 2010 DEM inspected Dam 742. The inspection revealed that excessive vegetation was present on the upstream and downstream slopes of the dam embankment and the crest of the dam (from about 400 feet from the left end of the dam to the right end of the dam) that did not allow a proper inspection to be performed.
- (6) DEM considers Dam 742 unsafe because of the excessive vegetation that inhibits a proper inspection.
- (7) As of the date of this Notice of Violation (“NOV”), the Respondents have not provided the registration forms to DEM.

C. Violation

Based on the foregoing facts, the Director has reasonable grounds to believe that you have violated the following statutes and/or regulations:

- (1) **DEM's Rules and Regulations for Dam Safety (the "Dam Safety Regulations"), Rule 4A** – requiring the owner of a high hazard dam to maintain the dam in a safe condition
- (2) **DEM's Dam Safety Regulations, Rule 8** – requiring the owner of a dam to provide a fully completed registration form to DEM.

D. Order

Based upon the violations alleged above and pursuant to R.I. Gen. Laws Section 42-17.1-2(21), you are hereby ORDERED to:

- (1) **Within fourteen (14) days of receipt of the NOV**, complete and submit to DEM the enclosed registration forms.
- (2) **Within ninety (90) days of receipt of the NOV**, cut or remove the vegetation on Dam 742 in accordance with the Dam Safety Regulations, Rule 10A. Cutting or removal shall be in sufficient amounts to allow a thorough visual inspection to be performed. DEM shall be notified upon commencement and completion of this work.
- (3) **Within one hundred eighty (180) days of receipt of the NOV**, retain a professional engineer fully registered in the State of Rhode Island, who is experienced with dam inspections, to complete a visual inspection of Dam 742 in accordance with the Dam Safety Regulations, Rule 11C and submit a report of the inspection findings to DEM. The report must specify any actions necessary to return the dam to a safe condition and include a schedule to complete the work. For any proposed repairs to Dam 742, the report must include an application prepared in accordance with the Dam Safety Regulations, Rule 10B.
- (4) The reports, applications, and/or schedules required in Section D.3 above shall be subject to DEM review and approval. Upon review, the DEM shall provide written notification to the Respondents either granting formal approval or stating the deficiencies therein. **Within fourteen (14) days (unless a longer time is specified) of receiving a notification of deficiencies**, the Respondents shall submit to the DEM a modified report, application, and/or schedule or additional information necessary to correct the deficiencies.
- (5) Commence work specified in the schedule approved by the DEM within twenty (20) days of approval (unless otherwise expressly authorized by the DEM in writing to commence work at a later time), and complete such work in accordance with the approved schedule.

E. Right to Administrative Hearing

- (1) Pursuant to R.I. Gen. Laws Chapters 42-17.1, 42-17.6, 42-17.7 and 42-35, each named respondent is entitled to request a hearing before the DEM Administrative Adjudication Division regarding the allegations and/or orders set forth in Sections B through D above. All requests for hearing MUST:
