

**C. JURISDICTION & VENUE**

5. Subject matter jurisdiction in this case is properly conferred in the Court pursuant to R.I. Gen. Laws §§ 8-2-13 and 42-17.1-2(21)(v).

6. Personal jurisdiction over the Defendants in this case is properly conferred in this Court based on Defendants' presence within the State of Rhode Island.

7. Venue is properly placed in this Court pursuant to R.I. Gen. Laws § 9-4-3.

**D. FACTS**

8. The subject property (the "Property") is located at 270 West Greenville Road in the Town of Scituate of, Rhode Island, and is also identified by the Scituate Assessor Plat 17, Lot 33.

9. The Property includes a dwelling assessed by the Town of Scituate as single family residence with four bedrooms and two bathrooms.

10. The Defendants own the Property.

11. On February 24, 2012, the Department issued a NOV alleging violations of the OWTS Regulations for, discharge of sewage to the surface of the ground, and requiring the submittal of a repair application for a failed OWTS.

12. The Defendants did not request an administrative hearing to contest the NOV.

13. Among other terms, the Notice of Violation required the Defendant to:

- (a) Immediately take steps to reduce the discharge of sewage from the Dwelling, such as through the installation and use of water conservation devices and fixtures, and arrange to have the OWTS pumped by a permitted septage transporter as frequently as necessary to prevent the OWTS from overflowing or breaking out onto the surface of the ground.
- (b) Within thirty (30) days of receipt of the NOV, submit a formal application and plan to the DEM to repair the OWTS;
- (c) Commence work on the project in accordance with the method approved

by the Director within twenty (20) days of approval.

- (d) Pay an administrative penalty of one thousand four hundred (\$1,400.00) dollars.

14. To date, the Defendants have failed to comply with the NOV in that there continues to be evidence of sewage being discharged to the surface of the ground, no formal application and plan to repair the OWTS has been submitted to RIDEM and the administrative penalty of one thousand four hundred (\$1,400.00) dollars has not been paid.

15. Because Defendants failed to request an administrative hearing, the NOV and associated administrative penalties contained within (pursuant to *R.I. Gen. Laws* §§ 42-17.1.2(21)(v) and 42-17.6-4(b)) automatically became a Final Compliance Order enforceable in Superior Court.

16. The Property continues to be occupied by the Defendants.

17. A Department inspection of the property on March 19, 2015 revealed continued evidence of a failing OWTS by ponding or breakout of fluids and lush green vegetation in soil absorption field/cover area.

18. As of the date of this Complaint, the Defendants have failed to fully comply with the terms of the Final Compliance Order. Such non-compliance constitutes a serious environmental and public health hazard to the Defendants, their neighbors, and the general public.

**COUNT I**  
***(Violation of a Final Compliance Order)***

19. Plaintiff hereby restates and incorporates by reference the allegations contained in Paragraphs 1 through 18 above.

pursuant to *R.I. Gen. Laws* § 42-17.1-2(21).

21. In accordance with *R.I. Gen. Laws* § 42-17.1-2(21)(i), the NOV issued on February 24, 2012 notified Defendants of the facts that gave the Department reasonable grounds to believe that a violation of law had occurred; of the statutes and/or regulation(s) violated; and of the Defendants' right to request an administrative hearing before the Department's Administrative Adjudication Division by filing a request for hearing with twenty (20) days of service of the NOV.

22. Defendants, by failing to appeal the issuance of the NOV, are deemed to have waived their right to an adjudicatory hearing resulting in the NOV automatically transforming in to a Final Compliance Order of the Department.

23. Pursuant to *R.I. Gen. Laws* § 42-17.1-2(21)(vi), a Final Compliance Order is enforceable in the Superior Court through injunctive proceedings wherein the burden of proving error in the Final Compliance Order rests with the Defendants.

24. As of the date of filing this Complaint, Defendants have failed to comply with the provisions of the Final Compliance Order in that they have failed to reduce the discharge of sewage to the OWTS and to have the OWTS pumped as necessary to prevent sewage from the OWTS from overflowing onto the surface of the ground; the Defendants have failed to submit to RIDEM a formal application and plan to repair the OWTS and have not repaired the OWTS nor paid the administrative penalty.

**WHEREFORE**, Plaintiff, Janet L. Coit, in her capacity as Director of the Rhode Island Department of Environmental Management, hereby requests that Judgment be entered in favor of the Plaintiff and that Plaintiff be granted the following relief:

Defendant must commence work on the project in accordance with the method approved by the Director within twenty (20) days of approval, and complete such work within one hundred twenty (120) days of said approval to the satisfaction of the Plaintiff as evidenced by the issuance of a Certificate of Conformance by RIDEM; and
  - (c) Permanent Injunctive Relief, if the Defendants fail to abide by the terms of paragraph (b) as stated immediately above, including following the time requirements, then the Defendants are to vacate the Property within thirty (30) days of Defendant's failure to abide by the above stated timeline and to keep the Property vacant until such time that the Property can either be: (1) connected to the Town of Scituate sewerage system; or (2) repair or install an OWTS to the satisfaction of RIDEM as evidenced by the issuance of a Certificate of Conformance; and
  - (d) Award of Administrative Penalty, ordering Defendant to pay the full amount of One Thousand Four Hundred (\$1,400.00) Dollars to the Plaintiff which is the amount of the administrative penalty assessed in the NOV of February 24, 2012; and
