

Bay Spring Realty Public Involvement Plan (PIP) Petition – March 1, 2017

RI DEM Regulation: Public Involvement Plans: The Performing Party (Bay Spring Realty in this case) shall develop, and submit to the Department for review and approval in both hard copy and electronic format (as specified by the Department), a site-specific public involvement plan for any Contaminated-Site for which the Department has received a Notification of Release and for which a minimum of twenty-five (25) residents, local officials or other interested parties have requested, in writing and in the form of a petition, that a formal process be set up for their participation in cleanup planning. The Public Involvement Plan shall address all relevant and applicable requirements of Rule 7.07 A, B, C, and D.

Bay Spring Realty owns the contaminated site located on Allin's Cove at Adams Avenue in the Bay Spring Neighborhood. They have been awarded funds from the RI DEM to clean up and develop the property.

In order to facilitate communication between the property owner and local residents, we, the undersigned neighbors, residents, local officials, or other interested parties, request that Bay Spring Realty develop and submit a Public Involvement Plan following the above RI Department of Environmental Management Guidelines.
