NOTICE

The City of Providence is planning to build a 450 student high school on the site of the former Gorham Industrial Facility. Two public meetings will be held to discuss the conditions of the site and the environmental remediation plan.

The first meeting is scheduled for October 5, 2005 at 6:00 p.m. at the Reservoir Avenue School, 156 Reservoir Avenue, Providence, RI. At this meeting, we will discuss the results of the site investigation and proposed remediation plans.

The second public meeting will be a hearing held on October 19, 2005 at 6:00 p.m. at the Reservoir Avenue School, 156 Reservoir Avenue, Providence, RI. At the public hearing, the City and the Rhode Island Department of Environmental Management will receive public comment regarding the technical adequacy of the site investigation and the technical feasibility of the proposed remedial alternative.

If you are unable to attend the public meetings, written comment on the proposed remediation plan must be received by the Department of Planning and Development no later than 4:30 p.m. on October 19, 2005.

Please address all comments to the Providence Redevelopment Agency, 400 Westminster Street, Providence, Rhode Island 02903
