Hi Steve,

Just passing along the public notice about the meeting and hearing coming up later this month – see attached. These went out in yesterday’s mail to all named parties on the distribution list in the agreement, and copies were delivered to the schools for distribution to students and staff this morning. Both events will be held at the middle school “cafetorium” at 6 pm. The meeting will be on Wednesday 2/15, and the hearing will be on Monday 2/27. Let us know if you have any questions.

Susan
