On behalf of National Grid, the following summarizes response actions to be performed at the above-referenced site during the timeframe from July 22 to 26, 2013.

SITE ACTIVITIES TO BE PERFORMED

- Complete site observation walk.
- Sample soil gas probes.

Soil gas sampling will be performed consistent with the May 2013 Supplemental Site Investigation Work Plan (SSIWP). It is currently anticipated that the soil gas sampling will be completed over an approximate two week time period.

Please contact me at 401-421-4140 Ext. 2719 if you have any questions or comments.
