DEPARTMENT OF ENVIRONMENTAL MANAGEMENT
OFFICE OF COMPLIANCE & INSPECTION**

IN RE: Sharon Meehan

FILE NO.: OCI-OWTS-22-36

NOTICE OF VIOLATION

A. INTRODUCTION

Pursuant to Sections 42-17.1-2(21) and 42-17.6-3 of the Rhode Island General Laws, as amended, (“R.I. Gen. Laws”) you are hereby notified that the Director of the Rhode Island Department of Environmental Management (“Director” of “RIDEM”) has reasonable grounds to believe that the above-named party (“Respondent”) has violated certain statutes and/or administrative regulations under RIDEM’s jurisdiction.

B. ADMINISTRATIVE HISTORY

On April 21, 2022, RIDEM inspected the property that is the subject of this Notice of Violation (“NOV”) in response to a complaint. RIDEM’s inspector spoke with Roger Williamson, who identified himself as Respondent’s spouse, at the time of the inspection. RIDEM’s inspector informed Mr. Williamson of the violations that are the subject of the NOV and that RIDEM would be issuing a notice. On April 28, 2022, RIDEM issued a Notice of Intent to Enforce (“NOTICE”) to Respondent by certified mail. The NOTICE required that specific actions be taken to correct the violations. On 4 May 2022, the NOTICE was delivered. As of the date of the NOV, Respondent has failed to respond to or comply with the NOTICE.

C. FACTS

- (1) The property is located at 325 Saw Mill Road, Assessor’s Plat 18, Lot 288 in Gloucester, Rhode Island (“Property”).
- (2) Respondent owns the Property.
- (3) On April 21, 2022, RIDEM inspected the Property. The inspection revealed that the OWTS at the Property has failed, and wastewater was discharged from the OWTS to the surface of the ground as evidenced by:
 - (a) Observation of and evidence of the breakout of fluids on the surface of the ground and lush green vegetation in the area around the OWTS.
 - (b) Photographs showing the breakout of fluids on the surface of the ground and lush green vegetation in the area around the OWTS.
 - (c) Detection of odors associated with wastewater in the area around the OWTS.

- (4) As of the date of the NOV, Respondent has failed to comply with Rhode Island's *Rules Establishing Minimum Standards Relating to Location, Design, Construction and Maintenance of Onsite Wastewater Treatment Systems* (250-RICR-150-10-6) ("OWTS Rules").

D. VIOLATION

Based on the foregoing facts, the Director has reasonable grounds to believe that you have violated the following statutes and/or regulations:

- (1) OWTS Rules
 - (a) **Part 6.9(H)** – prohibiting the discharge of wastewater to the surface of the ground.
 - (b) **Part 6.18(G)** – requiring submittal of a repair application for a failed OWTS.

E. ORDER

Based upon the violations alleged above and pursuant to R.I. Gen. Laws Section 42-17.1-2(21), you are hereby ORDERED to:

- (1) **IMMEDIATELY** take steps to reduce the discharge of wastewater to the OWTS, such as through the installation and use of water conservation devices and fixtures and arrange to have the OWTS pumped by a permitted septage transporter as frequently as necessary to prevent the OWTS from overflowing or breaking out onto the surface of the ground. A list of permitted septage transporters can be obtained by contacting RIDEM's Office of Water Resources – OWTS Permitting at 222-6820 or from RIDEM's web page at: www.dem.ri.gov/programs/benviron/waste/transpor/septage.pdf.
- (2) **IMMEDIATELY** cease use of any/all laundry washing machine(s) located on the Property. No laundry use is allowed until the OWTS is fully repaired.
- (3) **Within 30 days of receipt of the NOV**, submit a written proposal for a permanent solution to the violation, that must include an inspection of the OWTS by a licensed OWTS designer to determine the cause of the failure ("System Assessment"). The System Assessment must be signed by the licensed designer who inspected the OWTS, must identify the size and location of the OWTS components, and must set forth the probable cause(s) for the failure. If it is determined that the OWTS requires repair and public sewers will not be available for connection within 1 year, a formal application and plan must be submitted to RIDEM in accordance with the OWTS Rules ("Application"). **Any repairs or modifications to the OWTS require the prior approval of RIDEM.** The list of licensed OWTS designers can be obtained by contacting RIDEM's Office of Water Resources – OWTS Program at (401) 222-3961 or from RIDEM's web page at:

- (4) The Application shall be subject to RIDEM's review and approval. Upon review, RIDEM shall provide written notification either granting formal approval or stating the deficiencies therein. Within 14 days (unless a longer time is specified) of receiving a notification of deficiencies in the Application, submit to RIDEM a modified proposal or additional information necessary to correct the deficiencies.
- (5) Commence work on the project in accordance with the method approved by RIDEM within 20 days of approval (unless otherwise expressly authorized by RIDEM in writing to commence work later) and complete such work within 120 days of said approval or other date specified by RIDEM.

F. PENALTY

- (1) Pursuant to R.I. Gen. Laws Section 42-17.6-2, the following administrative penalty, as more specifically described in the attached penalty summary and worksheets, is hereby ASSESSED, jointly and severally, against each named respondent:

\$2,200

- (2) The proposed administrative penalty is calculated pursuant to Rhode Island's *Rules and Regulations for Assessment of Administrative Penalties* (250-RICR-130-00-1) ("Penalty Rules") and must be paid to RIDEM within 30 days of your receipt of the NOV. Penalty payments shall be by one of two methods:

- (a) By certified check, cashier's check, or money order made payable to the **General Treasury – Water and Air Protection Program** and forwarded to:

Administrator, RIDEM Office of Compliance and Inspection
235 Promenade Street, Suite 220
Providence, RI 02908-5767.

- (b) By wire transfer in accordance with instructions provided by RIDEM.
- (3) Penalties assessed against Respondent in the NOV are penalties payable to and for the benefit of the State of Rhode Island and are not compensation for actual pecuniary loss.
- (4) If any violation alleged herein shall continue, then each day during which the violation occurs or continues shall constitute a separate offense and the penalties and/or costs for that violation shall continue to accrue in the manner set forth in the attached penalty summary and worksheets. The accrual of additional penalties and costs shall be suspended if RIDEM determines that reasonable efforts have been made to comply promptly with the NOV.

G. RIGHT TO ADMINISTRATIVE HEARING

- (1) Pursuant to R.I. Gen. Laws Chapters 42-17.1, 42-17.6, 42-17.7 and 42-35, each named respondent is entitled to request a hearing before RIDEM's Administrative Adjudication Division regarding the allegations, orders and/or penalties set forth in Sections B through F above. All requests for hearing MUST:

 - (d) State clearly and concisely the specific issues which are in dispute, the facts in support thereof and the relief sought or involved, if any. See Part 1.7(B) of Rhode Island's *Rules and Regulations for the Administrative Adjudication Division* (250-RICR-10-00-1).

RIDEM - Office of Legal Services
235 Promenade Street, 4TH Floor

- (3) Each named respondent has the right to be represented by legal counsel at all administrative proceedings relating to this matter.
- (4) Each respondent must file a separate and timely request for an administrative hearing before RIDEM's Administrative Adjudication Division as to each violation alleged in the written NOV. If any respondent fails to request a hearing in the above-described time or manner regarding any violation set forth herein, then the NOV shall automatically become a Final Compliance Order enforceable in Superior Court as to that respondent and/or violation and any associated administrative penalty proposed in the NOV shall be final as to that respondent. See R.I. Gen. Laws Sections 42-17.1-2(21)(i) and (vi) and 42-17.6-4(b) and (c).

- (5) Failure to comply with the NOV may subject each respondent to additional civil and/or criminal penalties.
- (6) An original signed copy of the NOV is being forwarded to the Town of Gloucester, Rhode Island wherein the Property is located to be recorded in the Office of Land Evidence Records pursuant to R.I. Gen. Laws Chapter 34-13 and Section 42-17.1-2(13), as amended.
- (7) The NOV does not preclude RIDEM from taking any additional enforcement action nor does it preclude any other local, state, or federal governmental entities from initiating enforcement actions based on the acts or omissions described herein.
