APPLICATION FOR RENEWAL OF OWTS DESIGNER LICENSE CLASS III, and IV*

Beginning License Term 2022, 2023, 2024

***RENEWAL OF CLASS IV LICENSES**

If a person holds a Class III **and** a Class IV license both of these licenses will expire 4/1/2022 unless they are renewed.

If a person holds **only** a Class IV license renewal is not required until 12/31/22.

ADMINISTRATIVE PROCESSING

Upon receipt of this form and required fee, your application will be reviewed for completeness and compliance with Rule 6.12 of the OWTS Rules. Upon completion of this review, you will receive either a renewal letter or a notice of deficiency. Any valid license, for which a renewal application is submitted (hand-delivered, or post-marked) on or before April 1st, 2022, shall be considered valid unless otherwise indicated in a notice of deficiency.

IMPORTANT NOTE REGARDING LICENSE EXPIRATION

- ➔ Due to the amended Rules and Regulations, licenses will expire on 04/01/2022 **NOT** December 31st.
- ➔ OWTS Rule 6.12.1 prohibits an individual with an expired license to practice as a Licensed Designer or Soil Evaluator.
- ➔ If you have installations in progress, expect to start construction before 4/1/2022 or shortly thereafter, or plan to perform soil evaluations after 4/1/2022, be aware that expiration of your license will prohibit you from performing licensed activities including calling in a Start of Construction and performing soil evaluations.

INSTRUCTIONS

- Provide **all** the information requested below **and** on the reverse of this form.
- Return this completed form and the appropriate fee (**Payable to: the Rhode Island General Treasurer**) to the address above by April 1st, 2022, to avoid expiration of your license and assessment of a late fee.
- **Renewal of both Designer and Soil Evaluator Licenses**
If you are renewing both your Class III **and** your Class IV license, **you must submit a separate form and appropriate fee (see table below) for each license, although one check may be used.** This form is available on the RIDEM website at: <http://www.dem.ri.gov/>; click on the vertically oriented tab on the right of the screen labeled "Permits & Licenses"; from the menu "Septic (ISDS/OWTS) Licensing"; scroll down and from the left side of the screen, click on "OWTS Licensing Forms".
- Keep a copy of your completed Renewal Application Form in support of this application.
- A checklist is provided on the reverse to assist your compilation of all material necessary for the processing of this license renewal application.

Continuing Education Unit (CEU) Documentation

Due to the recent rule change on 12/28/2021, those who hold a Civil or Environmental Professional Engineering License no longer have to submit CEUs as part of their Class-III license renewal. If you also hold a Class-IV license for less than 12 years, you must submit documentation of your CEUS on the attached self-reporting form.

Professional Engineering License

In addition to filling out this renewal form, please submit documentation proving you possess a PE license in either Civil or Environmental Engineering. Attach proof that your license is current and in good standing upon completion of this form.

Overdue Paperwork

In addition to this renewal form and attached CEU reporting form, you must also submit any overdue paperwork from the past three years. This includes any missing Soil Evaluations, As-Built plans, and Certificates of Construction. A list of missing forms will be sent to you, and it is your responsibility to submit them all prior to submitting your renewal form. Your license will not be renewed if all required paperwork is not submitted.
