Re: Updated Schedule - Draft PIP Development Process
Providence Gas Co. – AA
A.k.a. Former New England Gas Company MGP Property
642 Allens Avenue, Providence, Rhode Island
RIDEM Case No. 98-004 / Site Remediation File No. SR-28-1152

Dear Mr. Martella:

GZA GeoEnvironmental, Inc. (GZA), on behalf of The Narragansett Electric Company (TNEC) d/b/a National Grid (National Grid), has prepared this letter to update the schedule for preparation and submittal of the Draft Public Involvement Plan (PIP) for the Former New England Gas Company Manufactured Gas Plant (MGP) property located at 642 Allens Avenue in Providence, Rhode Island (herein referred to as the "Site"). National Grid is in the process of preparing the document and intends to submit the Draft PIP to RIDEM on or around October 14, 2016.

National Grid is committed to keeping the community informed of activities at the Site. Should you have any questions or comments regarding the information presented herein, please do not hesitate to contact the undersigned or Amy Willoughby from National Grid at (781) 907-3644

Very truly yours,
