RE: Reply to Letter dated 10 October 2006 re:
Former Gorham Manufacturing Facility – Park Parcel
333 Adelaide Avenue, Providence, Rhode Island
Case No. 2005-059 (Associated with Case No. 97-030)

Dear Mr. Wagner:

The City of Providence (the City) received in this office on 13 October 2006 your letter dated 10 October 2006 seeking an extension of time to complete review of the site investigation report ("SIR") for the "Park Parcel" as defined in Paragraph III.c. of the Order entered by the Superior Court on 29 March 2006.

The City has no objection to this request but expresses no opinion on the characterization by the RIDEM as the reason for the need for the additional time. The City remains committed to insuring that the Park Parcel is remediated safely, thoroughly, and expeditiously.

Sincerely yours,

Sara Rapport, Esq.
Senior Assistant City Solicitor
