Message left in morning

Call Back 11:25am

- I received a call from Ms. Linda Marsella, whose property abuts Springfield Street, and is located across the Street from the DelSesto Middle School.
- Ms. Marsella stated she had been previously involved with fighting the school development.
- Ms. Marsella indicated that her husband was Nicholas Marsella, who is a plaintiff in this case.
- Ms. Marsella stated that she complained about the school being built on the property because she remembers it being a dump.
- Ms. Marsella stated that she is not happy with how the school is being maintained. She claims there are broken windows and shades and that toilets are being intentionally plugged up.
- Ms. Marsella stated that she is mad at the City for putting the school so close to Springfield Street. She has asked for speed bumps to slow down the busses.
- She wants the consulting firm to contact her and keep her informed.
- Ms. Marsella number is (deleted).
