<b>Date final site stabilization was achieved (required):</b>			

**OWNER & OPERATOR CERTIFICATION**

I certify under penalty of law that all disturbed soils at the construction site have been stabilized and temporary erosion and sediment control measures have been removed and all stormwater discharges associated with construction activity from the construction site that are authorized by the General Permit have been eliminated. The burden of operating in compliance with applicable RIPDES Regulations is my responsibility. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
