

Recreational Registry/License Study Group
Meeting Announcement

The next meeting of the Recreational Registry/License Study Group will be this Monday, April 13, at 6:30 pm at the Coventry-West Greenwich Elks, 42 Nooseneck Hill Rd, West Greenwich. This is the same location where we had our first meeting in the fall. Directions are below.

The purpose of the meeting will be to present the final draft proposal -- as modified at the March meeting -- to DEM Director Sullivan, and to afford the Director an opportunity to respond to the proposal, and discuss it with the Group.

We apologize for the short notice, and hope everyone can make the meeting.

See you then!
