Friday, September 20, 2013

In response to inquiries from members of the public, RIDEM is providing this update as notice of receipt of a new application for a C&D processing facility at 1 Dexter Road in East Providence, RI (the former TLA/Pond View facility). The application was submitted by RAILSIDE Environmental Services, LLC (RES) and is for a C&D registration to process fifty (50) tons per day.

Pursuant to RIGL 38-2-3(f), the application is not currently available for review by the public. The application is currently being reviewed and is being actively used by Department staff. It will be available for public review once the Department's review is completed.
