Rhode Island Farm Energy Program Farm Energy Tours

Attend one or all of these farm energy tours to see energy saving systems on the Farm!

Are you an agricultural producer or ag-based small business who has been curious about the potential of renewable energy or energy efficiency practices for your farm? The Rhode Island Farm Energy Program will be hosting **FOUR** farm energy tours this summer.

Topics to be covered in the farm energy tour:

- RI Agricultural Energy Program Grant (RIAgEP)
- USDA Rural Development – Rural Energy for America Program (REAP)
- Commerce RI – Renewable Energy Fund (REF)
- USDA-NRCS – Agricultural Energy Management Plans (AgEMP) and Environmental Quality Incentive Program (EQIP)
- Office of Energy Resources – Farm Energy Efficiency Program
