NOTICE OF VIOLATION

A. Introduction

Pursuant to Sections 42-17.1-2(21) and 42-17.6-3 of the Rhode Island General Laws, as amended, (“R.I. Gen. Laws”) you are hereby notified that the Director of the Department of Environmental Management (the “Director” of “DEM”) has reasonable grounds to believe that the above-named parties (“Respondents”) have violated certain statutes and/or administrative regulations under DEM's jurisdiction.

B. Administrative History

DEM issued informal written notices to the Respondents on October 11, 2007 and August 31, 2009 for the violations. The notices required that specific actions be taken to correct the violations. The Respondents failed to comply with the notices.

C. Facts

- (1) The subject property is located at 10-A Andrews Terrace, Assessor's Plat 5, Lot 213 in the town of North Smithfield, Rhode Island (the “Property”). The Property includes a six-bedroom two-unit residential dwelling (the “Dwelling”).
- (2) The Respondents own the Property.
- (3) DEM inspected the Property on September 26, 2007 and October 3, 2007. The inspections revealed that sewage was discharged to the surface of the ground and into the waters of the State from the on-site wastewater treatment system (“OWTS”) at the Dwelling as evidenced by:
  - (a) Observation of a pipe on the bank of the Branch River on the opposite side of Andrews Terrace from the Dwelling;
  - (b) Observation of black soil, toilet paper, soap suds and feces at the pipe outlet;
  - (c) Detection of odors associated with sewage at the pipe outlet;

- (d) Observation of water discharging into the Branch River from the pipe outlet;
  - (e) Observation of green dye that was placed in the toilet bowl in the Dwelling discharging from the pipe outlet; and
  - (f) Photographs showing black soil, soap suds and green dye at the pipe outlet and water from the pipe discharging into the Branch River.
- (4) The Respondents did not receive approval from DEM to discharge sewage from the Dwelling to the Branch River.
  - (5) As of the date of this Notice of Violation (“NOV”), the Respondents have failed to comply with DEM’s Rules Establishing Minimum Standards Relating to Location, Design, Construction and Maintenance of Onsite Wastewater Treatment Systems (the “OWTS Regulations”) and DEM’s Water Quality Regulations.

D. Violation

Based on the foregoing facts, the Director has reasonable grounds to believe that you have violated the following statutes and/or regulations:

- (1) **Rhode Island’s Water Pollution Act Section 46-12-5(a)** – prohibiting the placement of any pollutant in a location where it is likely to enter the waters of the State.
- (2) **DEM’s Water Quality Regulations, Rule 13(A)** – prohibiting the discharge of any pollutant into or conducting any activity which will likely cause or contribute pollution to the waters of the State without having obtained all required approvals from the Director.
- (3) **DEM’s OWTS Regulations**
  - (a) **Rule 8.7** - prohibiting the discharge of wastewater to a watercourse.
  - (b) **Rule 8.8** – prohibiting the discharge of wastewater to the surface of the ground.
  - (c) **Rule 17.7** – requiring submittal of a repair application for a failed OWTS.

E. Order

Based upon the violations alleged above and pursuant to R.I. Gen. Laws Section 42-17.1-2(21), you are hereby ORDERED to:

- (1) **Immediately** take steps to reduce the discharge of sewage from the Dwelling, such as through the installation and use of water conservation devices and fixtures.
- (2) **Within ninety (90) days of receipt of this NOV**, submit a formal application and plan to DEM's Office of Water Resources to repair the OWTS that is prepared by a licensed OWTS designer in accordance with the OWTS Regulations (the "Application"). **Any repairs or modifications to the OWTS require the prior approval of DEM.** The list of licensed OWTS designers can be obtained by contacting Deb Knauss at 222-4700, extension 7612 or from the DEM web page at:  
[www.dem.ri.gov/programs/benviron/water/licenses/OWTS/pdfs/deslist.pdf](http://www.dem.ri.gov/programs/benviron/water/licenses/OWTS/pdfs/deslist.pdf).
- (3) The Application shall be subject to DEM review and approval. Upon review, the DEM shall provide written notification to you either granting formal approval or stating the deficiencies therein. Within fourteen (14) days (unless a longer time is specified) of receiving a notification of deficiencies in the Application, you must submit to the DEM a modified proposal or additional information necessary to correct the deficiencies.
- (4) Commence work on the project in accordance with the method approved by the Director within twenty (20) days of approval (unless otherwise expressly authorized by the Director in writing to commence work at a later time), and complete such work within one hundred twenty (120) days of said approval or other date specified by the Director.

F. Penalty

- (1) Pursuant to R.I. Gen. Laws Section 42-17.6-2, the following administrative penalty, as more specifically described in the attached penalty summary and worksheets, is hereby ASSESSED, jointly and severally, against each named respondent:

**Three Thousand Three Hundred Dollars (\$3,300.00)**

- (2) The proposed administrative penalty is calculated pursuant to the DEM Rules and Regulations for Assessment of Administrative Penalties, as amended, and must be paid to the Director within twenty (20) days of your receipt of this NOV. Payment shall be in the form of a certified check or money order made payable to the "General Treasury - Water & Air Protection Program Account" and shall be

forwarded to the DEM Office of Compliance and Inspection, 235 Promenade Street, Suite 220, Providence, Rhode Island 02908-5767.

- (3) Penalties assessed against the respondents in this NOV are penalties payable to and for the benefit of the State of Rhode Island and are not compensation for actual pecuniary loss.
- (4) If any violation alleged herein shall continue, then each day during which the violation occurs or continues shall constitute a separate offense and the penalties and/or costs for that violation shall continue to accrue in the manner set forth in the attached penalty summary and worksheets. The accrual of additional penalties and costs shall be suspended if the Director determines that reasonable efforts have been made to comply promptly with this NOV.

G. Right to Administrative Hearing

Laws Chapters 42-17.1, 42-17.6, 42-17.7 and 42-35, each named respondent is entitled to request a hearing before the DEM Administrative Adjudication Division regarding the allegations, orders and/or penalties set forth in Sections B through F above.
