RE: Recommended Drilling Locations for Bedrock Aquifer Assessment
Charbert - Division of NFA (Charbert)

Dear Mr. Healy;

The Rhode Island Department of Environmental Management (the Department) has reviewed the Geophysical Investigation for Bedrock Aquifer Evaluation, Charbert Facility, Alton, RI Report dated July 2006 and concurs with the recommendations for selecting the locations and depths of three proposed bedrock monitoring wells, as set forth in the Recommended Drilling Locations for Bedrock Aquifer Assessment Technical Memorandum #1 dated 25 July 2006.

If you have any questions please contact me at (401) 222 – 2797, extension 7514 or by e-mail at joan.taylor@dem.ri.gov.

Sincerely,

Joan Taylor, Senior Environmental Scientist
Rhode Island Department of Environmental Management
Office of Waste Management
