Dear Leslie:

The Stop & Shop Supermarket Company is closing its store located at 77 Reservoir Avenue in Providence, Rhode Island. As part of this closure Stop & Shop will be suspending the sale of retail gasoline at this location. At this time Stop & Shop requests permission to temporarily close the 20,000-gallon two compartment (12,000 gallons regular/8,000 gallons premium) gasoline underground storage tank (UST) in accordance with Section 13 of Rhode Island Department of Environmental Management's UST regulations. Stop & Shop has met all of the requirements of the regulations including:

- Removal of the tank contents to less than one-inch of gasoline in both compartments;
- Locked the fill caps and secured all fill lines;
- Kept vent lines open;
- Maintaining the interstitial tank monitoring system to monitor for a potential release;
- Maintaining all tank records; and
- Has removed the product dispensers and covered the sumps.

Please feel free to call me at (617) 770-8673 or e-mail me at jsulliva@stopandshop.com or contact Bill Taber at (617) 924-1770 ext. 1318 or e-mail him at wtaber@vhb.com, if you have any questions.

Very truly yours,

STOP & SHOP SUPERMARKET COMPANY, LLC.
