RE: Former Gorham Manufacturing Facility – Park Parcel, 333 Adelaide Ave., Providence, RI

Dear Ms. Rapport & Mr. Simpson:

As you are aware, the Department has been meeting with community members on a fairly regular basis to try and increase the level of communication with members of the Reservoir Triangle community regarding activities at the Gorham School Site. At our last couple of meetings various attendees have noted the absence of a direct City presence at these meetings and have asked me to invite the City to send a representative to the next meeting to respond to the comments and concerns of the neighborhood. Accordingly, I am sending this letter to invite the City to send a representative with experience with the Gorham School Site to our next community meeting on Monday, March 12, 2007, from 6:30 to 8:00pm at The Mediator, 50 Rounds Avenue, Providence, Rhode Island. Please contact me before Friday, March 9, 2007, if there is anything specific that you would like me to add to our meeting agenda.

Very truly yours,

Brian A. Wagner, Esq.
