As a result of the Small Business Liability and Brownfields Revitalization Act (Public Law 107-118, 1/11/02), certain changes were made in the Brownfields program. Petroleum, controlled substances & mine scarred lands are now eligible for funding. Additionally, certain sites are no longer eligible for funding and other sites can only be awarded funding after EPA makes a “Property Specific Determination for Funding”. The following pages contain a number of questions that need to be answered as part of the evaluation process.

Sites Not Eligible for Funding:

1. Facilities listed (or proposed for listing) on the National Priorities List.
   □ Not Applicable

2. Facilities subject to U.S. EPA unilateral administrative orders, court orders, Administrative Orders on Consent, or judicial consent decree issued to or entered into by parties under CERCLA.
   □ Not Applicable

3. Facilities that are subject to the jurisdiction, custody, or control of the United States Government. (Land held in trust by the United States Government for an Indian tribe is eligible).
   □ Not Applicable

Sites Not Eligible for Funding Without A Property Specific Determination:
Please answer the following questions to the best of your knowledge:

1. Is your site/facility subject to an ongoing U.S. EPA CERCLA removal action?
   □ Yes □ No

2. Is your site/facility subject to a unilateral administrative order, court order, administrative order on consent or judicial consent decree or to which a permit has been issued by the United States or an authorized state under the Solid Waste Disposal Act (as amended by the Resource Conservation and Recovery Act (RCRA)), the Federal Water Pollution Control Act (FWPCA), the Toxic Substances Control Act (TSCA), or the Safe Drinking Water Act (SDWA)?
   □ Yes □ No

3. Is your site/facility subject to U.S. EPA corrective action orders under RCRA (sections 3004(u) or 3008(h)) and to which a corrective action permit or order has been issued or modified to require the implementation of corrective measures?
   □ Yes □ No

4. Is your site/facility a land disposal unit that has filed a closure notification under subtitle C of RCRA and to which closure requirements have been specified in a closure plan or permit?
   □ Yes □ No

5. Has your site/facility had a release of polychlorinated biphenyls (PCBs) that is subject to remediation under TSCA?
   □ Yes □ No

6. Has your site/facility received funding for remediation from the Leaking Underground Storage Tank (LUST) Trust Fund?
   □ Yes □ No
Note: If you have answered “Yes” to any of these questions, you will need to prepare a “property specific determination.” Please contact RIDEM for additional information.

Petroleum Only Sites
Please answer the following questions to the best of your knowledge:

1. Please perform a title search and attach a list of all of the former owners of the site. □ Attached

2. Did any of the former owners cause/contribute to the contamination at the site? □ Yes □ No
   Please attach list:

3. Are any of the former owners financially able to conduct a site assessment? □ Yes □ No
V. Certifications:

By signing below, the Applicant shall certify the following:

- Applicant for funding must be the current entity that legally controls the brownfield site;
- Applicant is not currently contributing to, or exacerbating, the existing contamination; and
- Applicant is not subject to any continuing enforcement action by the State of Rhode Island or the United States Government.
- Attach a Letter of Good Standing from the Secretary of State’s Office for the applicant

The undersigned hereby represents and certifies to the best of his/her knowledge and belief that the information contained in the foregoing Statement and exhibits or attachments hereto is true and complete and accurately describes the proposed project, and agrees to promptly inform RI DEM of any changes in the proposed project which may occur.
