RE: *Hartford Park Tenants Ass'n et al. v. R.I.D.E.M.*

Gentlemen:

Pursuant to paragraph 5 of the Agreement for Resolution of Claims, I am writing to request a meeting within the next two weeks to discuss DEM's failure to implement the Remedy and Agreement for Resolution of Claims in the above referenced matter.

For several weeks I have been asking Mr. Wagner for updates on DEM's implementation of the Remedy. Through no fault of Mr. Wagner, it appears that DEM has failed to move forward on a number of items required by the Remedy and Agreement documents. Of greatest concern are:

- Establishing the Stakeholder Group, now more than three months behind schedule;
- Establishing the on-line document repository for the Springfield Street Schools Site;
- Requiring the City to address the issues identified in my letter to both of you dated December, 23, 2003; and
- Commencing the review of the approved remedial actions at the site, now a month behind schedule.

Kindly advise me of dates and times you are available to meet. I look forward to hearing from you.

Very truly yours,

Steven Fischbach
