Jeff,

The report with the correction made is attached. I will forward the information regarding the HVAC system when I obtain it from the School Department.

Subject: February 2011Quarterly Monitoring Report

Donna-

I was reviewing the recently submitted QMR for Springfield Street Schools. There is a typo on Page 4/6, Soil Gas Monitoring, and first sentence. The report states sampling on November 20, 2010, however there is data presented from February 2011. Also, please find out from the School Department or the City when the last inspection and cleaning of the HVAC system was performed.

Thank you, Jeff
