Hi Jeff,

Sorry, I have been very busy on another project but I will get both of these out to you this week. The report is written and I just need to review it.

Donna-

Could you please let me know of the status of the letter you were going to send the Department concerning the Carbon Dioxide issue being raised at the Springfield Street Schools and also when the Department can anticipate the most recent sampling data report. The last e-mail I have is May 23.

Thanks Jeff
