Subject: Trestle Trail Bike Path - Response to SIR Comments

Claude,

As I discussed in a voicemail earlier this afternoon there are some Certificates of Analysis that are missing from the Response to Site Investigation Report Addendum Comments report that was submitted on March 2, 2012. The certificates that need to be submitted are as follows:

SS-705
SS-706
SS-707
SS-708
SS-713
SS-714
SS-715
SS-716

Once these certificates are received the Department will be in the position to issue a Program Letter.

Please give me a call if you would like to discuss.

Thanks,

Tim
