

# FALL EROSION CONTROL FIELD DAY

**TRAINING FOR PROFESSIONALS WORKING IN**  
soils, erosion control, water quality, public works, engineering, roads, planning, and consulting

**PLEASE JOIN TEAM EJP AND PARTNERS**  
**ON OCTOBER 19 or 20, 2017**

AT THE UNIVERSITY OF RHODE ISLAND EAST FARM  
BUILDING 75, EAST FARM ROAD, KINGSTON, RI 02881

## OVERVIEW OF TRAINING

Sediment is the world's #1 pollutant. Soil moved by erosion can be harmful to our drinking water resources, our fish and wildlife, and can impact our quality of life. We all need to know our options for both controlling sediment and for designing and installing more effective long term erosion control solutions.

This field day is a unique combined effort between the private and public sectors to share information and promote a better understanding of the latest tools available to all who are entrusted with protecting our precious soil and water resources.

The day will start with classroom sessions and then move outdoors for small group sessions in a hands-on demonstration setting.

Our goal is to provide information that is immediately useful to all who attend.

# FALL EROSION CONTROL FIELD DAY AGENDA & REGISTRATION INFORMATION

## AGENDA

8:00 - 8:30	Registration & Vendor Exhibits
8:30 - 10:00	Classroom Presentations
10:00 - 10:30	Break & Vendor Exhibits
10:30 - 11:00	Classroom Presentations Continued
11:00 - 12:00	Field Station Rotation
12:00 - 1:00	Boxed Lunch (provided)
1:00 - 3:30	Field Stations Continued
3:30 - 4:00	Wrap-up

*\* Coffee and pastries will be provided for the morning sessions.*

## REGISTRATION INFORMATION IS AS FOLLOWS

Register online at:  
<https://snec2017esc.eventbrite.com>  
using a credit card, check or invoice. Mailing instructions for check and invoice will appear at the bottom of the page after payment method is selected.

Questions? Contact Christine at (774) 207-7526 or [christine@swcssnec.org](mailto:christine@swcssnec.org) or Jason Normandin at (401) 333-1317 or [jason.normandin@ejprescott.com](mailto:jason.normandin@ejprescott.com)

## CLASSROOM OVERVIEW

- Innovations in Bentonite
- Polymers/Flocculants
- RI Soil & Erosion Handbook & Field Guide
- Jobsite Compliance

## FIELD STATIONS OVERVIEW

- Blankets and Mats
- Soil Amendments
- Jobsite Sediment Control
- Porous Pavement Systems
- Vegetated Solutions
- Stream Crossings

## SPONSORS AND PRESENTERS

Rhode Island Nursery & Landscape Association  
Rhode Island Department of Environmental Management  
Rhode Island State Conservation Committee  
Soil & Water Conservation Society  
Southern New England Chapter  
International Erosion Control Association  
Northeast Chapter  
Everett J. Prescott, Inc.  
Aqua Blok  
North American Green  
Bowman Supply  
Profile Products  
Advanced Drainage Systems

## CONTINUING EDUCATION CREDITS

EnviroCert International: Professional Development Hours (PDH): 6.0 hours

Rhode Island Nursery & Landscape Association: 1 RICH credit

Rhode Island Department of Environmental Management: 4 CEU's for Class I, II, III, & IV OWTS Licenses
