

Geomatrix Systems invites you to attend a training seminar for the RIDEM Approved GeoMat™ 1200 & 3900. This seminar will cover the design and installation of the GeoMat Leaching System, a low profile modular gravelless absorption system, similar to the PSND currently utilized in Rhode Island.

1 CEU credit will be earned for Class I, II & III designers.

Wednesday, March 2, 2011

8:00 am – 12:00 pm

Hampton Inn S Kingstown
20 Hotel Drive
South Kingstown, RI 02879

Attendance is Free however
Registration is Required
