**RIDEM approved Nitrex™
Passive Nitrogen Filter Training Seminar
Thursday, November 6, 2006
TN < 10 mg/l warranted, averaging 3 - 5 mg/l**

Attendees will receive official Design and Installation Certification Training on the RIDEM approved passive Nitrex™ nitrogen removal filter, as well as cost information, historical performance, and local applications.

Attendees will have the opportunity to join in discussions and ask questions about the latest Nitrex™ system for complete wastewater treatment for individual and cluster systems that achieves total nitrogen removal as good as the most sophisticated centralized wastewater treatment system. So don't miss out!

Attendance is free, however registration is required. To register, call 1-617-964-2924 or email Jerid@lombardoassociates.com.
