

# Preview of the DRAFT MS4 General Permit 2010-2015 Public Education and Involvement Measures

Friday, March 12, 2010  
9:00 am - 12:00 pm  
RIDEM Room 300  
235 Promenade St., Providence RI

## AGENDA

- 9:00 Registration** (open at 8:45)
- 9:15 Introduction**  
MS4 accomplishments under the Phase II program, goals for the next permit, and schedule for re-issuance.  
*Eric Beck, RI DEM RIPDES Stormwater Program*
- 9:30 Overview of the Proposed Permit**  
Preview of proposed Public Education and Involvement requirements, changes from the current permit, and submittal requirements for the Notice of Intent (NOI) and revised Storm Water Management Program Plan (SWMPP). Followed by questions and discussion.  
*Margarita Chatterton, RI DEM RIPDES Stormwater Program*
- 10:00 Break**
- 10:15 Choosing From Our Menu: Sample Education and Outreach Plans**  
RI NEMO has created a wealth of education and outreach resources and then summarized them using time-saving templates that can be used to decide which methods are best for your MS4.  
*Lorraine Joubert, RI NEMO*
- 10:30 Making It Easier For You: The Statewide Approach**  
In an effort to reduce the time and money spent by MS4s on stormwater education and outreach, we have a proposal that capitalizes on statewide efforts.  
*Lisa Philo, RI NEMO*
- 10:50 Break-Out Session: How Feasible Is This Approach?**  
Groups will meet based on their region to discuss the draft permit requirements, possibilities of collaboration, and the feasibility of using RI NEMO to facilitate education and outreach.
- 11:15 Discussion**
- 11:45 Wrap up and Evaluations**
- 12:00 Adjourn**
