

BOATING SAFETY CHALLENGE EXAMS

2010 BOATING SEASON

THINGS TO KNOW ABOUT THE EXAM:

There is no registration and no fee for this exam. There is also no age limit, but be advised that this test deals with material that may be complex for younger children. We highly recommend taking the full boating safety course to insure you and your family understand the material required to operate and navigate vessels on the water safely. If you have chosen the challenge exam as the method of certification, you will need to study information presented in *“Boat Rhode Island, A Course on Responsible Boating”* and *“The Handbook of Rhode Island Laws and Responsibilities”*. Both publications are available either on the web through the online course or by contacting DEM/Environmental Police at (401) 222-3070 for the home study packet.

Please bring a writing utensil and identification. A parent must be present for a child under the driving age without identification. Answer sheets will be provided for you at the exam site. The testing time runs from 6:00PM to 8PM. You may come at anytime during the course of the exam, however, no one will be allowed into the exam after 7:30 PM (NO EXCEPTIONS).

**TESTS WILL NOT BE GRADED ON SITE.
EXPECT RESULTS IN THE MAIL IN ONE WEEK.**
