

Nest Notes

Did you see any nests on your hike?

What was it made out of?

Where was the nest?

Circle one: in a TREE on the GROUND in a BUSH

Bird Observations

Observer (your name):

Date:

Time:

Location:

Weather:

List all of the bird species you saw:

Sightings

Draw a bird that you saw:

Describe the color and size:

What was the bird's behavior (what was it doing)?

Songs

Close your eyes and LISTEN

What did you hear?

How many different birds do you think were calling?

Can you make up a phrase that sounds like a bird song you heard?
