1. Welcome/Introductions

2. December 2004 Meeting Minutes

3. Presentations/Discussion:

- **DEM Budget/Fiscal Fitness Restructuring**
Learn about the proposed Fiscal Year 2006 Budget and the Fiscal Fitness restructuring of the Department.
- **Mandatory Commercial Recycling**
Rhode Island businesses are required to recycle by law, however, compliance has been very limited and the existing commercial recycling and reporting system is costly and impractical to enforce. Hear about and provide input on an alternative model to enhance commercial recycling in Rhode Island.
- **2004 Customer Service Survey Results**
DEM completed its 2004 customer satisfaction survey of major permitting programs. Learn what Department customers think about how we're doing with respect to pre-application meetings, permit application reviews and the overall effectiveness of the permit program.
