

TOXICS INFORMATION PROJECT (TIP)
LESS TOXIC LANDSCAPING CAMPAIGN
PRESENTS

**THE LESS TOXIC LANDSCAPING
CONTEST!**

**A Chance to Win Great Prizes While Helping Support Healthier
Landscaping & Gardening Practices in Rhode Island**

THE GOALS OF THE LTL CONTEST ARE TO ENCOURAGE AND EDUCATE PEOPLE IN WAYS TO REDUCE THEIR USE OF LAWN CHEMICALS AND TO UTILIZE CREATIVE LANDSCAPING ALTERNATIVES. BENEFITS WILL BE FELT IN IMPROVED ENVIRONMENT, HUMAN AND ANIMAL HEALTH. PRIZES WILL BE AWARDED IN THREE CATEGORIES.

SUBMISSION CATEGORIES

EXAMPLES OF HEALTHY LANDSCAPE DESIGN

Homes with attractive, interesting and healthy landscaping and/or specific plantings. Models, drawings or photographs of healthy landscaping designs.

INFORMATION ON HEALTHY GARDENING & LANDSCAPING

“How-To” articles, descriptions of LTL gardening methods and success stories.

PROMOTIONAL MATERIALS ENCOURAGING SUPPORT FOR THE CAMPAIGN

Posters, cartoons, “Why Less Toxic Landscaping?” articles, about environmental and health effects of lawn pesticide use, and the advantages of creative landscaping alternatives and organic gardening.
