By making any documents available for review, the Department does no waive any rights it has, or may assert, regarding admissibility and use of the contents, under either the Rhode Island rules of discovery or evidence, in any pending or future proceeding.

**STATEMENT OF FEE FOR RETRIEVAL AND/OR COPYING:**

The Department of Environmental Management shall charge a fee not to exceed fifteen cents (\$0.15) per page for copies of written documents. Hourly cost for search and retrieval of documents shall not exceed fifteen dollars (\$15.00) per hr. There shall be no costs charged for the first hour of a search or retrieval. Copies on paper larger than 8.5 x 14", or made available on media different than that on which the information is stored, will be charges at the actual production and/or reproduction cost.
