## **R.I. Hunting Regulations for the 2009-2010 Season**

### **RULE 1 PURPOSE**

The purpose of these Rules and Regulations is to establish hunting seasons; to set the possession and bag limits; and to regulate the manner of hunting in order to efficiently manage the wildlife resources of Rhode Island.

### **RULE 2 AUTHORITY**

These Rules and Regulations are promulgated pursuant to Chapter 42-17.1, Department of Environmental Management, and Sections 20-1-2; 20-1-4; 20-1-8; 20-1-12; 20-1-13; 20-18-1, and in accordance with Chapter 42-35, Administrative Procedures Act of the Rhode Island General Laws of 1956, as amended.

### **RULE 3 APPLICATION**

The terms and provisions of these Rules and Regulations shall be liberally construed to permit the Department to effectuate the purposes of state law, goals, and policies.

### **RULE 4 SEVERABILITY**

If any provision of these Rules and Regulations, or application thereof to any person or circumstances, is held invalid by a court of competent jurisdiction, the validity of the remainder of the Rules and Regulations shall not be affected thereby.

### **RULE 5 SUPERSEDED RULES AND REGULATIONS**

On the effective date of these Rules and Regulations, all previous Rules and Regulations, and any policies regarding the administration and enforcement of Hunting Regulations shall be superseded. However, any enforcement action taken by, or application submitted to, the Department prior to the effective date of these Rules and Regulations shall be governed by the Rules and Regulations in effect at the time the enforcement action was taken, or application filed.

## RULE 6 DEFINITIONS

For the purposes of these regulations, the following terms shall have the following meanings:

**Antlerless deer** - deer having no antlers or antlers less than three (3) inches in length.

**Bearded turkey** - a turkey that carries a visible beard, i.e., a tuft of stiff filament-like feathers projecting outward and downward from the center of the chest.

**Box trap** - any trigger operated device intended to restrain an animal by confinement in box or cage.

**Conibear-type trap** - "conibear" model traps and similar body-gripping traps and devices, whether or not enclosed in or comprising part of a box, tube, or other enclosing device.

**Crossbow** - a bow and string (either compound or re-curve) that launches an arrow, mounted upon a stock, with a trigger unit that holds the string and limbs under tension until released. The trigger unit must have a working safety. The minimum crossbow, arrow, and blade restrictions are further described in Part 4 of these regulations.

**Daylight fluorescent orange** - the color orange having a dominant wave length between 595 and 606 nanometers, an excitation purity not less than 85 percent, and a lamination factor not less than 40 percent.

**Driving deer/cooperative drive** - to pursue, drive, chase, or otherwise frighten or cause a deer to move in a direction toward a person or persons known to be waiting for a deer.

**Feeding/baiting** - the act of using, placing, giving, exposing, depositing, distributing, or scattering any material, or any act to maintain the availability of such material, that attracts wildlife to feed on such material.

**Foothold** – the nomenclature for a foothold trap is equivalent to that of leg-hold trap, as described in RIGL 20-16-8, including those foothold traps with padded jaws.

**Jack-lighting** - the use (by an individual or in conjunction with others) of an artificial light at any time to illuminate, jack light, locate, attempt to locate, or show up wild birds or mammals or any other vertebrates when that person or persons have in their actual possession, in the passenger compartment of their vehicle, or in the storage area of a trunk or van, unless locked in a case, a crossbow, long bow (straight limb, reflex, re-curve, and compound bow) rifle, gun, or pistol, except in accordance with these rules and regulations.

**Jamestown (Conanicut Island)/Aquidneck Island** - all of Aquidneck Island with the exception of the city of Newport.

**Junior Hunter** – a person 12-14 years of age who has completed a basic hunter safety course and shall hunt only in the immediate company of a qualified licensed adult, 21 years of age or older.

**Mainland** - Providence, Kent, and Bristol counties; the towns of Tiverton and Little Compton; and all of Washington County with the exception of New Shoreham (Block Island).

**Paraplegic** - an individual afflicted with paralysis of the lower half of the body with involvement of both legs.

**Proficiency testing** - the measurable demonstration of skills with bows and arrows or use of firearms using a set of standards as determined by the hunter education program.

**Small game season** - that period of time beginning the third Saturday in October and ending the last day in February annually (not withstanding the regulated shotgun season for deer).

**Species specific traps** - characterized by all of the following: triggering and restraining mechanisms are enclosed within housing; triggering and restraining mechanisms are only accessible through a single opening when set; the access opening does not exceed 2 inches in diameter; the triggering mechanism can only be activated by a pulling force; has a swivel mounted anchoring system.

**Translocation**-means the transport and release of live wild animals from one location to another.

**Written permission**—means annual written permission of the owner of the land for any current deer season.

# **RULE 7 - REGULATIONS PART I**

## **GENERAL DEER HUNTING REGULATIONS**

- 1.1 A permit must be purchased for each individual deer taken in accordance with the bag limits for each season type.
- 1.2 Legal hours for hunting deer are one half hour before sunrise to one half hour after sunset. All deer must be tagged in a conspicuous manner by the hunter killing same, immediately after taking, with the tag portion of the deer permit for the specific season (i.e., shotgun, archery, muzzleloader and/or paraplegic/double amputee hunter). This tag must be separated from the permit with the appropriate month, day, or other information completed as required, and signed by the hunter. The tag must remain attached to the deer until the animal is processed for consumption or prepared for taxidermy. It will be considered prima-facie evidence of hunting without a valid deer permit if any portion of the deer permit/tag is altered in any manner. All deer must be checked by the hunter killing same, within 24 hours of taking at a Department biological check station, if in operation, otherwise to environmental police officers or vendor check stations or telecheck/online checking system (also see 3.5). Only specified vendors will be permitted to check deer and sell additional permits. The list of approved vendors will be available prior to the season. Instructions for telecheck/online checking system will be available prior to season.
  - 1.2.1 In the event of fiscal constraints, check station hours of operation are subject to change.
- 1.3 Prohibited Activities:
  - 1.3.1 Hunting, pursuing, or molesting deer below mean high tidal water, or while deer are swimming in any waters of the state is prohibited.
  - 1.3.2 The construction and/or use of permanent tree stands, or the use of nails, spikes, bolts, or climbing devices which may damage trees, is prohibited on state property or on private property without the permission of the landowner. All portable tree stands must be removed on state lands by the end of deer season.
  - 1.3.3 The use of electronic deer calls is prohibited at all times.
  - 1.3.4 The use of decoys to attract deer is prohibited.
  - 1.3.5 Driving deer by parties of over five (5) people is prohibited.

- 1.3.6 Only one firearm or bow may be possessed in the field per individual hunter, while hunting deer.
- 1.4 Annual written permission is required to hunt deer on privately owned land (20-15-1(4)). Such written permission must be carried at all times while deer hunting and failure to have such written permission is prima-facie evidence of not having written permission to hunt such land. Written permission must be shown to any authorized person upon demand, and must be presented when checking the deer.
- 1.5 The use of natural or artificial scents, mouth or hand powered deer calls to attract deer, is permitted.
- 1.6 Pop-up blinds are permitted; however, muzzleloader hunters must display a minimum of 200 square inches of fluorescent orange visible from all directions during the muzzleloading deer seasons. During shotgun deer season, 500 square inches of fluorescent orange is required.
- 1.7 The Division retains the right to sample any and all tissues for population and disease management.
- 1.8 Resident All Outdoors Package Permit: Deer hunters may purchase one (1) resident **All Outdoors Package Permit** for the mainland deer seasons to take up to 12 deer during the established seasons. This package permit will only be available at DEM, RI Division of Licensing, 235 Promenade Street, Providence, RI 02908. This may be purchased by mail with a SASE or in person.

A limit of 250 permit packages will be sold on a first come first serve basis. Permits may be purchased in person or through the mail. Due to high volume, permits sold over the counter may be returned by mail.

1.8.1 Mainland either sex permits-may be used as follows:  
Hunter must fill in appropriate mainland code for the established season on the front of the permit and on the tag immediately after kill.

Archery: Six (6) mainland either sex permits may be used in any combination during the appropriate season.

Muzzleloader: One (1) mainland either sex permit.

Shotgun: One (1) mainland either sex permit.

Muzzleloader and Shotgun: Two (2) All Outdoors Permits may be used, in any combination, during the muzzleloader and shotgun portions of the season to take two (2) additional either sex deer.

1.8.2 Six (6) Mainland Antlerless Permits.  
May be used in any combination during the appropriate season type. Hunters must fill in the appropriate mainland code for the established season on front of permit and on tag immediately after kill to be valid.

## **PART II**

### **DEER – MUZZLELOADING DEER SEASON**

#### **2.1 MAINLAND MUZZLELOADING SEASON AND BAG LIMITS:**

Muzzleloader deer hunters may purchase permits to take three (3) deer; one (1) either sex and two (2) antlerless as described below:

##### **Permit Required**

#### **A. EITHER SEX MUZZLELOADER PERMIT –**

Either sex muzzleloader deer permit is usable for the taking of one deer of either sex in Providence, Kent, and Bristol Counties; Washington County (except New Shoreham, a.k.a. Block Island); and the towns of Little Compton and Tiverton.

Permits may be purchased at any time. November 4 – November 29, 2009 on state and private land. Unused either sex permit may be used to harvest one (1) antlerless deer during the late season, December 26, 2009 – January 2, 2010.

#### **B. ANTLERLESS MUZZLELOADER PERMIT –**

The two antlerless muzzleloader deer permits are usable for the taking of two (2) deer in Providence, Kent, and Bristol Counties; Washington County (except New Shoreham, a.k.a. Block Island); and the Towns of Little Compton and Tiverton.

These two permits may be purchased at any time from November 4 – November 29, 2009 and December 26, 2009 – January 2, 2010 on state and private land.

Some cities and towns have more restrictive ordinances; check local ordinances prior to hunting. All other deer hunting regulations apply. (see Part I).

#### **2.2 JAMESTOWN (CONANICUT ISLAND)/AQUIDNECK ISLAND MUZZLELOADING SEASON AND BAG LIMITS:**

Jamestown (Conanicut Island)/Aquidneck Island muzzleloader deer hunters may purchase permits to take three (3) deer; one (1) either sex, and two (2) antlerless as described below:

##### **Permit Required**

#### **a) Either sex-**

November 4 – November 29, 2009

#### **b) Antlerless-**

November 7 – November 29, 2009 and  
December 26, 2009 – January 2, 2010

- 2.3 A current muzzleloader deer permit is required for the muzzleloading season. As denoted in 1.2, all deer must be conspicuously tagged by the hunter killing same immediately after killing or taking as provided, and taken by that same hunter to a state-operated checking station within 24 hours during the first three (3) days of the season, November 4-6, 2009. (See 1.2 for checking during the remainder of the season).
- 2.4 During the muzzleloading deer season, all hunters must wear a minimum of 200 square inches of solid daylight fluorescent orange material, contained in an outer garment worn above the waist, and visible from all directions. A fluorescent orange hat would meet the requirement. EXCEPTIONS: those hunting raccoon at night or crows over decoys, archers in tree stands, or waterfowl hunters hunting from a boat or a blind, over water or field, when done in conjunction with decoys.
- 2.5 Firearms for muzzleloading deer season are limited to .45 caliber or larger using percussion caplock, flintlock, and in-line ignition systems using percussion caps, rifle, or shotshell primers. Only single barrel or double barrel firearms that must be loaded from the muzzle are allowed. (Also see section 14.9)
- 2.6 Ammunition for muzzleloading deer season is limited to a single lead projectile, including round ball, or maxi ball type projectiles. Sabot rounds for muzzleloader firearms either lead or jacketed are limited to .43 caliber or larger. Powder is limited to manufacturers' specifications. Telescopic sights are permitted. Possession of modern shotgun shotshells while hunting is prohibited. A muzzleloader is considered unloaded when the percussion cap or pan powder is removed.

## **PART III DEER - SHOTGUN DEER SEASON**

### **3.1 MAINLAND SHOTGUN SEASON AND BAG LIMITS:**

Shotgun deer hunters may purchase permits to take three (3) deer; one (1) either sex and two (2) antlerless as described below:

#### **Permit Required**

A. EITHER SEX SHOTGUN PERMIT – One (1) either sex deer may be taken in Providence, Kent, and Bristol counties, all of Washington County (except New Shoreham, a.k.a. Block Island), and the towns of Tiverton and Little Compton.

December 5-13, 2009 on state and private lands.

December 14-20, 2009 on private land only.

Permits may be purchased at any time.

B. ANTLERLESS SHOTGUN PERMITS – Two (2) antlerless deer may be taken in Providence, Kent, and Bristol counties, all of Washington County (except New Shoreham, a.k.a. Block Island), and the towns of Tiverton and Little Compton. Permits may be purchased at any time.

December 5-13, 2009 on state and private land.

December 14-20, 2009; private land only.

December 26, 2009 January 2, 2010; private land only.

Some cities and towns have more restrictive ordinances; check local ordinances prior to hunting. All other deer regulations shall apply (see Part I).

### **3.2 JAMESTOWN (CONANICUT ISLAND)/AQUIDNECK ISLAND SHOTGUN SEASON AND BAG LIMITS:**

Jamestown (Conanicut Island)/ Aquidneck Island Shotgun deer hunters may purchase permits to take three (3) deer; one (1) either sex, and two (2) antlerless as described below:

## Permit Required

- (a) Either sex  
December 5-20, 2009
  - (b) Antlerless  
December 5-20, 2009  
December 26, 2009 -January 2, 2010
- 3.3 No person shall take deer with a shotgun capable of holding more than five shells, unless it is plugged with one-piece filler, which is incapable of removal without disassembling the gun.
- 3.4 Ammunition permitted for shotgun deer season includes rifled slugs or sabot round. Buckshot is limited to double 00 or larger. Buckshot in 20-gauge is prohibited. Shotguns of 10, 12, 16, or 20-gauge are allowed.
- 3.5 A current shotgun deer permit is required for the shotgun season. As denoted in 1.2, all deer must be conspicuously tagged by the hunter killing same immediately after killing or taking as provided, and taken by that same hunter to a state-operated checking station for checking within 24 hours during the first three (3) days of the shotgun season, December 5-7, 2009. (See 1.2 for checking during the remainder of the season).
- 3.6 Deer killed or taken on the last day may be checked through a vendor check station no later than 6:00 PM on that date, or by an Environmental Police Officer within 24 hours of taking.
- 3.7 During the shotgun season for deer, all hunters, except waterfowl hunters hunting from a boat or a blind, over water or field, when done in conjunction with decoys, must wear a minimum of 500 square inches of solid daylight fluorescent orange material, contained in an outer garment and worn above the waist, a portion of which must include a head covering visible from all directions.
- 3.8 All other hunting, except otherwise provided, under 4.1, 4.2, 5.1, 9.2, 9.3, and 11.9 is prohibited during the period of December 6-21, 2009, December 26, 2009 – January 2, 2010.
- 3.9 Muzzleloading firearms will be permitted during the shotgun season provided hunters have purchased a current shotgun deer permit as in 3.5 and conform to muzzleloader restrictions in 2.5 and 2.6. Hunters taking a deer must tag the deer with the shotgun tag immediately after taking. All shotgun deer season fluorescent orange requirements will be enforced.

## **PART IV DEER - ARCHERY DEER SEASON**

### **4.1 MAINLAND ARCHERY SEASON AND BAG LIMITS:**

October 1, 2009– January 31, 2010 inclusive.

Archery deer hunters may purchase permits to take three (3) deer: one (1) either sex and two (2) antlerless on state or private land and may qualify for purchasing a bonus buck permit as described below:

#### **Permit Required**

- A. Either Sex Archery Permit – state or private land in Providence, Kent, and Bristol Counties; all of Washington County (except New Shoreham, a.k.a. Block Island), and the towns of Tiverton and Little Compton. This permit may be purchased at any time.
- B. Antlerless Archery Permit – state or private land in Providence, Kent, and Bristol Counties; all of Washington County (except New Shoreham, a.k.a. Block Island), and the towns of Tiverton and Little Compton. This permit may be purchased at any time.
- C. Earn-a-Buck Permit - state or private land in Providence, Kent and Bristol Counties; all of Washington County (except New Shoreham a.k.a. Block Island) and the towns of Tiverton and Little Compton. This permit for one (1) additional either sex archery deer permit may be issued after the hunter has taken and checked, as provided in 4.6, two (2) antlerless deer from the: a) either sex archery permit, or: b) antlerless archery permits, as described above. Hunters must take completed and detached archery tags and affidavits, bring or mail to DEM - Division of Licensing, 235 Promenade Street, Providence, RI 02908.

4.1.1 In total, all mainland archery deer hunters, including those with adaptive aid/crossbow permits (as delineated in 4.4.1), may purchase permits to take a total of four (4) deer.

### **4.2 JAMESTOWN (CONANICUT ISLAND)/AQUIDNECK ISLAND ARCHERY SEASON AND BAG LIMITS:**

Jamestown (Conanicut Island)/Aquidneck Island archery hunters may purchase permits to take three (3) deer: one (1) either sex and two (2) antlerless, except as provided under 4.3.

**Permit required:**

- (a) Either sex permit  
October 1, 2009 - January 31, 2010
- (b) Antlerless permit  
October 1, 2009 - January 31, 2010

4.2.1 In total, Jamestown (Conanicut Island)/Aquidneck Island archery deer hunters including those with adaptive aid/crossbow permits may purchase permits to take a total of three (3) deer.

- 4.3 Archery deer hunting is permitted during Junior Archery Hunting Weekend: September 19-20, 2009 for those junior hunters (ages 12-14) in possession of a valid Rhode Island Junior Hunting License. Junior hunters must be accompanied by at least one parent or legal guardian who is at least 21 years of age or older and holds a valid Rhode Island hunting/archery license. An adult may accompany no more than two junior hunters at one time. Adults are prohibited from carrying bows. Junior hunters may use either sex or antlerless archery permits as provided for in 4.1.
- 4.4 No bow used in hunting deer shall be equipped with any mechanical device for drawing or releasing the arrow unless in accordance with RIGL 20-15-4 and section 4.4.1 and 4.4.2 of these regulations for those persons meeting the disability requirement and those 65 years of age or older. A bow string release device whereby the bow is hand held, hand drawn, and finger released is permitted. Hunters with a valid adaptive aid/crossbow permit as defined in section 4.4.1 and 4.4.2 may utilize adaptive aids.
  - 4.4.1 Special archery adaptive aid/or crossbow deer permits may only be obtained through DEM-Division of Licensing, 235 Promenade Street, Providence, RI 02908 (401) 222-3576. An official application for permit issuance signed by a physician for first time applicants is required, accompanied by an official document on the physician's printed letterhead, stating the certification of disability in accordance with RIGL 20-15-4. A copy of the permit will be sufficient in subsequent years for reapplication. The permit card and associated record log must be carried at all times while deer hunting with a crossbow or adaptive aids and must be shown to any authorized person upon demand. Crossbow or Adaptive Aid evaluation card must be returned by the last day in February to Fish & Wildlife Field Headquarters, regardless of success, in order to be eligible in the future.
  - 4.4.2 Hunters, age 65 or older, are permitted to use adaptive aids without a special permit. No crossbows permitted.

4.5 Archers must use a long bow, re-curve or compound bow capable of not less than forty (40) pounds at peak draw weight for archers using fixed blade broadheads, and a minimum of fifty (50) pounds for archers using a mechanical broadhead. Only broadhead tipped arrows with at least two (2) metal cutting edges are allowed. All broadheads must be 7/8 of an inch or greater at the widest point. Mechanical heads are measured in the "open" position and must be a minimum of 7/8 of an inch.

4. 5.1 Only those crossbows meeting the following minimum criteria are permitted: minimum draw of 150 pounds, minimum width of 24 inches. Expandable broadheads meeting the specifications in 4.5 are permitted. However, as some crossbow manufacturers specifically recommend against mechanicals, nothing in this section should be construed as permitting such use. One (1) field point arrow may be carried in the quiver for the safe discharge of the crossbow; the field point arrow must be made distinguishable from the crossbow arrow by a color difference.

4.6 A current archery deer permit is required for the archery season. All deer must be immediately tagged by the hunter after killing or taking as provided in 1.2 and taken by that same hunter to an Environmental Police Officer, or other Department designee for checking within 24 hours as provided in 1.2.

4.7 All archers including crossbow deer hunters, when traveling to and from a tree stand during the deer muzzleloading season must wear above the waist a minimum of 200 square inches of solid daylight fluorescent orange visible from all directions. A fluorescent orange hat meets this requirement.

## **PART V SPECIAL DEER SEASONS**

### Prudence and Patience Islands

- 5.1 Prudence and Patience Island archery season dates are:  
October 30, 2009 – January 16, 2010.

5.1.1 Junior Archery – Prudence and Patience Islands archery season dates are  
October 17-18, 2009.

**Permit Required:**

- A. Either sex – This permit may be purchased at any time.
- B. Antlerless – This permit may be purchased at any time.

The only legal method of deer hunting on Prudence and Patience Islands is by archery, including crossbows as specifically permitted in sections 4.4.1, 4.4.2 and 4.5.1. All other archery regulations apply. Exemption: hunters complying with section 5.17 and 5.18 for paraplegic and double amputees may use shotguns as permitted in 5.23.

- 5.2 The limit on Prudence and Patience Islands is one (1) deer of either sex on state land or private land and one (1) antlerless deer on private land for an island total of two (2) deer.
- 5.3 A Prudence/Patience Island Archery Deer Permit (deer tag) is required to hunt on Prudence and Patience Islands.
- 5.4 While archery deer hunting, no possession of firearms is permitted, except for those licensed to participate during the special paraplegic hunter deer season or as specified in 4.4 and 4.4.1.
- 5.5 No reservations will be required on state lands. In addition to the deer tag, archery deer hunters on state lands are required to obtain a permit to hunt Prudence and Patience Islands. This permit card must be carried in addition to your individual deer permits. Permits must be returned by January 31, 2010 in order to be eligible for the next season's permit.

State land permits may be obtained by sending a 9 ½ x 4 (LEGAL SIZE) self-addressed stamped envelope to: Prudence/Patience Islands, RI Division of Fish and Wildlife, 277 Great Neck Road, West Kingston, RI 02892. One request per envelope.

- 5.5.1 Archery deer hunting will be permitted on the Heritage Property, December 1-15, 2009. Archers will be limited to the taking of antlerless deer only. Archers may utilize either sex or antlerless permits provided that they take antlerless deer only.
- 5.5.2 Reservations are required to hunt the Heritage Property. Reservations will be valid for three (3) consecutive days: December 1-3, 4-6, 7-9, 10-12, and 13-15, 2009.
- 5.5.3 A lottery system will assign hunters on the Heritage Property during the reservation period (see 5.6). A total of eighteen (18) hunters may be assigned per reservation period on the Heritage Property. Hunters will be provided with a map, safety zone and parking restrictions. Compliance with these and all other hunting regulations are required for future hunting privileges on this parcel.

Lottery applications may be obtained by mailing a request with a self-addressed stamped envelope (LEGAL SIZE) to: Heritage Lottery, Division of Fish and Wildlife, 277 Great Neck Road, West Kingston, RI 02892 or you may acquire an application online at [www.dem.ri.gov](http://www.dem.ri.gov). Application dates will be August 17 through October 16, 2009. Two (2) individuals may apply on one application; however, an individual may only apply once in the lottery system. Duplicate, illegible, incorrect or incomplete forms will be rejected. The lottery reservation is non-transferable and non-negotiable. In order to be eligible for preferential status for next hunting season's lottery, all hunters, regardless of hunting activity or success must return their Hunter Survey Card by Jan. 31, 2010.

- 5.6 A quota of 50 deer may be taken on state land to include 25 from the south end, or as provided in section 5.9. Hunting on state portions of Prudence and Patience Islands will end January 16, 2010 or when quota is reached.
- 5.7 All deer taken on Prudence Island must be immediately tagged by the hunter and checked by that same hunter through the check station designated by the Department of Environmental Management, and a leg seal must be attached to the deer prior to leaving Prudence Island. The leg seal must remain attached to the deer until processed for consumption.
- 5.8 All deer taken on Patience Island must be immediately tagged by the hunter and checked by that same hunter through the deer check station on Prudence Island or on the mainland by contacting an Environmental Police Officer or other department designee within 24 hours after killing or taking.
- 5.9 The Division of Fish and Wildlife retains the right to alter the number of hunters, number of days hunted, and total deer harvested within the above season, if conditions warrant.

- 5.10 Proficiency testing is required of all archery hunters hunting deer on Patience and Prudence Islands, either private or state-owned lands. The proficiency card is valid for two years from the date of issue and must be carried while hunting.
- 5.11 For private lands, written permission of the landowner must be obtained, and as required by local ordinance, must be countersigned by the Chief of Police or his/her representative on the Island.
- 5.12 On Prudence Island, during the period October 1, 2009 through January 16, 2010 inclusive, the casting of rays of artificial lights, including spotlights, headlights, or other artificial light, at any time, on any highway or roadway, whether public or private, or on any field, woodland, residential property, or forest, or on any building or farm animal, for the purpose of spotting, locating, or attempting to spot or locate any wild animal or wild bird is prohibited.
- 5.13 On Patience Island, there shall be no hunting of any species of wildlife, except archery hunting for deer, as provided. The possession of any firearm at any time on Patience Island, except for archery equipment as prescribed during the established archery season for deer, is prima-facie evidence of illegal hunting (except as provided in section 5.23).
- 5.14 Waterfowl hunting on Prudence Island: The possession of firearms is permitted while en route to or during waterfowl hunting. Waterfowl hunters must possess a minimum of six (6) decoys. No ball ammunition may be possessed. Possession of a loaded firearm more than (10) ten feet above mean high water is prohibited, except as provided in sections 9.2, 9.3.3, 9.5, & 11.2.
- 5.15 Junior Archery Season – Prudence Island:  
Archery deer hunting is permitted during Junior Archery Hunting Weekend; October 17-18, 2009 for those junior hunters (ages 12-14) in possession of a valid Rhode Island Junior Hunting License. Junior hunters must be accompanied by at least one (1) parent or legal guardian who is at least 21 years of age or older and holds a valid Rhode Island hunting/archery license. An adult may accompany no more than two (2) junior hunters at one time. Adults are prohibited from carrying bows. Junior hunters may use either sex or antlerless archery permit as provided for in 5.2.

## **Paraplegic and double amputee hunters on Prudence Island, Portsmouth; and Fort Greene Army Reserve, Narragansett**

- 5.16 The season for the South End Management Area hunt on Prudence Island will be: October 13-16, 2009 inclusive; and  
The season for Fort Greene will be:  
October 20-23, 2009, inclusive, during legal shooting hours.  
Availability of the Ft. Greene facility may be subject to change.
- 5.17 The taking of deer will be limited to paraplegic and double amputee hunters only.  
The season bag limit on Prudence is one either-sex. The season bag limit at Fort Greene is one (1) either sex deer.
- 5.18 A special hunting permit must be obtained through the DEM Licensing Division, 235 Promenade St. Providence, RI 02908 (401) 222-3576 by each applicant prior to the hunt. None will be issued on the island. An application signed by a physician for a first-time hunter, or a photocopy of a previous paraplegic/double amputee hunting license, is required. Hunters for Fort Greene must also complete a registration card and mail it to R.I. Fish and Wildlife, 277 Great Neck Road, W. Kingston, RI 02892, ATTN: Fort Greene and postmarked by September 30, 2009.
- 5.19 None of the hunter's assistants will be allowed to hunt or carry loaded firearms at any time. No license is required of the assistants.
- 5.20 Hunters may participate in either hunt. Only five (5) hunters will be permitted on Fort Greene. If needed, a lottery will be conducted to choose the five eligible hunters. Hunters will be notified after the selection. All hunters and assistants must register upon entering or leaving either location with the officer-in-charge.
- 5.21 All deer taken must be checked by an Environmental Police Officer or Department designee prior to leaving Prudence Island, or for Fort Greene by a Department designee, or at a state certified vendor check station. (Additionally see 1.10)
- 5.22 All deer wounded, but not recovered, must be reported as soon as possible to the officer-in-charge.
- 5.23 Ammunition is limited to slugs –10, 12, 16, or 20 gauge only. Buckshot is allowed by special permit only, 00 or larger. Hunters may use muzzleloading firearms on Prudence Island as defined under Muzzleloading Deer Season, as defined in section 2.5 and 2.6.
- 5.24 Once a deer is taken, the successful hunter may no longer carry a firearm in the field, but may assist other fellow hunter(s).
- 5.25 Additional restrictions may be required on Fort Greene.

## **PART VI**

### **Block Island Deer Season**

- 6.1 Deer hunting season dates for the Town of New Shoreham (Block Island) is as follows:

**Archery:**

October 13,14,15,16,19,20,21,22,23,26,28,29,30, 2009.

November 2,3,4,5,6,9,10,12,13,16,17,19,20, 2009

**Shotgun:**

November 23 and 24, 2009

December 1,2,3,4,7,8,10,11,14,15,17,18,21,22, 2009

January 4,5,7,8,11,12,13,14,15,19,21,22,25,26,29, 2010

February 1,2,3,4,5,8,9,10,11,12,22,23,24,25,26, 2010.

**Muzzleloader:** (new this year)

November 16,17,19,20, 2009

- 6.2 All state-owned land on Block Island is closed to all deer hunting for the 2009-2010 season.
- 6.3 A Block Island archery, shotgun, or muzzleloader deer permit is required to hunt on Block Island. A hunter may purchase five (5) Block Island permits. After checking as provided in section 6.7, a hunter may purchase additional Block Island Shotgun, Archery, or Muzzleloader Deer Permits to take additional deer on Block Island, but hunters may not possess more than five (5) permits of any type at one time.
- 6.4 Landowner permission, counter-signed by the Chief of Police, is required for all hunting. Landowners may give permission for archery, shotgun, or muzzleloader hunting on their property. Permission will be tracked by the Police Department.
- 6.5 Ammunition permitted for shotgun deer season includes rifled slugs or sabot round. Shotguns of 10, 12, 16, or 20 gauges are allowed. Buckshot is limited to double 00 buck or larger in 12 gauge only, (new this year)
- 6.6 On Block Island, the casting of rays of artificial lights, including spotlights, headlights, or other artificial light, at any time, on any highway or roadway, whether public or private, on any field, woodland, residential property, or forest, or on any building or farm animal, for the purpose of spotting, locating, or attempting to spot or locate any wild animal or wild bird is prohibited.

- 6.7 All deer must be tagged in a conspicuous manner by the hunter killing same immediately after taking. All deer taken on Block Island must be checked by that same hunter through the designated check stations and a leg seal must be attached to the deer prior to leaving the island, and within twenty-four (24) hours of taking. The leg seal must remain attached to the deer until processed for consumption.
- 6.8 Proficiency testing is required of all archery hunters that are hunting deer on Block Island. The proficiency card is valid for two (2) years from the date of issue. The proficiency card must be carried while hunting.
- 6.9 All other deer regulations apply. Equipment permitted for archery season include crossbows and adaptive aids as described in sections 4.4.1, 4.4.2, 4.5 and 4.5.1.
- 6.10 All deer hunters must wear 500 square inches of fluorescent orange.
- 6.11 Designated town lands will be open to hunting during the last two (2) weeks of the season on: February 8,9,10,11,12,22,23,24,25,26, 2009.

## **PART VII COOPERATIVE HUNTING PROGRAMS**

7.1 **Northwest Cooperative** – The Northwest Cooperative Deer Hunting permits serve as written permission for hunting this private land. These permits must be carried in addition to your individual deer permits. Turkey hunting is also permitted on Northwest Cooperative with a valid license and turkey permit. No additional Northwest permit is required for turkeys.

7.1.1 Deer hunters must have Special Permits to hunt the Northwest Cooperative. A permit is required for each season: Archery, Muzzleloader, and Shotgun. The Division reserves the right to alter the number of hunters, permits, or days of hunting as conditions warrant. Permits must be returned by February 15, 2010. Hunters must return permit to be eligible for the next season's permit. (Reference 2.1)

7.1.2 Permits are available after September 1, and may be obtained by sending a (LEGAL SIZE) self-addressed stamped envelope to: NORTHWEST COOP, R.I. Division of Fish and Wildlife, 277 Great Neck Road, West Kingston, RI 02892. Indicate the permit type (e.g. archery, muzzleloader, and/or shotgun).

7.2 **Francis Carter Preserve Cooperative Hunting Area** is restricted to archery hunting of deer from November 1 – December 31, 2009 and as provided in sections 7.2.1 through 7.2.5 of these regulations. No hunting of any other species of wildlife is permitted. All regulations in General Deer Part I and Archery Deer Part IV of these regulations shall apply.

7.2.1 No firearms are allowed on the property at any time. No vehicles of any kind are allowed on the property.

7.2.2 The construction of or use of permanent tree stands is prohibited. The use of nails, spikes, bolts, or devices that may damage trees is prohibited. Climbing tree stands are permitted. Tree stands must be removed at the end of the season.

7.2.3 Proficiency testing is required for all archery hunters on the Carter Preserve. The proficiency cards are valid for two years from the date of issuance and must be carried while hunting. Either Prudence/Patience Island or Hunter Ethics/Landowner Relations proficiency cards are permitted.

7.2.4 A Carter Preserve Hunting Permit is required and will serve as written permission to hunt this private land. This permit must also be carried while hunting.

7.2.5 No lottery will be conducted this season. However, all hunters must obtain a permit in addition to their archery deer permits. Permits are non-transferable.

Requests for permits are available by sending a self-addressed stamped envelope to RI Division of Fish and Wildlife, 277 Great Neck Road, West Kingston, RI 02892. All requests must contain your name, address, current hunting license number and current archery proficiency number. One request per envelope. Hunters must return their permit by January 15, 2010 regardless of activity or success, to be eligible for the next season's hunt.

### 7.3 **Beavertail Cooperative Archery Deer Hunting Area**

November 9, 2009 – January 31, 2010. No hunting on weekends prior to December 31, 2009. The Jamestown (Conanicut Island) either sex, and antlerless archery deer permits are valid for this season.

7.3.1 No hunting of any other species of wildlife is permitted. All regulations in General Deer Part I and Archery Deer Part IV of these regulations shall apply.

7.3.2 No firearms are allowed on the property at any time.

7.3.3 The construction of or use of permanent tree stands is prohibited. The use of nails, spikes, bolts, or devices that may damage trees is prohibited. Climbing tree stands are permitted and must be removed at the end of the season.

7.3.4 Proficiency testing is required for all archery hunters on the Beavertail Cooperative Archery Deer Hunting Area. The proficiency cards are valid for two (2) years from the date of issuance and must be carried while hunting. Either Prudence/Patience Island or Hunter Ethics/Landowner Relations proficiency cards are permitted.

7.3.5 A Beavertail Cooperative Archery Deer Hunting Area Permit is required and will serve as written permission to hunt this property. The permit can be obtained in person at the Jamestown Police Station. This permit must also be carried while hunting. Hunters must return their card regardless of activity or success by February 15, 2010 in order to be eligible for next season.

7.3.6 Countersigned permission of the chief of police or his/her designee is required. Archers must reserve to hunt on the official sign-in log at the police station. Ten (10) hunters will be permitted per day on a first come first served basis. Hunters may sign up for five (5) slots per week, no more than twenty (20) days in advance. Unused slots must be cancelled. Successful hunters must also cancel any reserved slots. Hunters will be provided with a map, safety zone and parking restrictions. Compliance with these and all other hunting regulations is required for future hunting privileges on this parcel. The number of hunters and days of hunting are subject to change.

7.3.7 All Beavertail Coop hunting subject to federal approval.

## 7.4 Grills Preserve Cooperative Hunting Permit

7.4.1 Hunting for white-tailed deer and wild turkey is permitted at the Grills Preserve-Westerly Land Trust Property located west of Bowling Lane and Route 91 in Bradford, RI. Special permits to hunt Grills preserve may be obtained from RIDEM Fish and Wildlife. Permits available after September 1<sup>st</sup>, and may be obtained by sending a self-addressed (LEGAL SIZE) stamped envelope to: GRILLS PRESERVE COOP, R.I. Division of Fish and Wildlife, 277 Great Neck Road, West Kingston, RI 02892.

7.4.2 Hunting is permitted only during the archery and state and private muzzleloader portions of the deer season in accordance with the Rules and Regulations set forth by RI DEM as specified in sections 2.1 and 4.1.

7.4.3 Turkey hunting is permitted in accordance with rules for the established turkey seasons by RI DEM as specified in sections 10.1-10.3.

7.4.4 Hunting permits and hunting effort data are to be returned at the conclusion of the spring turkey season.

## 7.5 Burlingame North Camp Hunting Area – North Camp Portion

7.5.1 Hunting by permit only available from the RI DEM Division of Fish and Wildlife, Great Swamp Field Headquarters, 277 Great Neck Road, West Kingston, R.I. 02892 either in person or by mail with a self-addressed stamped envelope.

7.5.2 Hunting is allowed in designated areas only; obey all safety zones as marked on map enclosed with permit.

7.5.3 The following are **PROHIBITED**:

- A. Hunting birds on or within 100 yards of the shore of Watchaug Pond or Poiquiant Brook as referenced in RIGL 20-14-8.
- B. Hunting birds in that portion of the park west of Watchaug Pond, west of Poiquiant Brook and south of Buckeye Brook Road as referenced in RIGL 20-14-8.1.

## **PART VIII**

### **\*MIGRATORY GAME BIRDS**

\*Subject to Federal Approval

8.1 Mourning Doves -The open season for mourning doves is statewide:

September 19 – October 3, 2009, inclusive;  
October 17 – November 15, 2009, and  
December 24, 2009 - January 7, 2010, inclusive.

Shooting hours are:

First split: noon to sunset.

Second and third split: sunrise to sunset.

Daily bag/possession limits: 12/24

8.2 Rails -The open season for rails is:

September 5, 2009 – November 13, 2009, inclusive.

Daily bag/possession limits:

King & Clapper Rail - 1/2, singly or in aggregate

Sora & Virginia Rail - 3/6, singly or in aggregate

8.3 Common snipe: The open season for common snipe is:

September 5 – November 13, 2009

Daily bag/possession limits: 5/10

8.4 Woodcock: The open season for woodcocks is:

November 1 – November 30, 2009

Daily bag/possession limits: 3/6

8.5 Crows: The open season for crows is:

August 14 – October 4, 2009 - Fridays, Saturdays, and Sundays only.

October 17 – November 22, 2009, all-inclusive.

December 18, 2009 – April 19, 2010 - Fridays, Saturdays, and Sundays only.

8.5.1 The hunting season for crows on state lands shall be from the beginning of dove hunting season in September to the last day of February. Hunting hours for crows are 1/2 hour before sunrise to 1/2 hour after sunset. Except on Northern Prudence Island Management Area, the season is January 4-31, 2010 inclusive. No daily bag or possession limit.

- 8.6 Non-toxic Shot Requirements: No person shall take or attempt to take waterfowl, rails, or snipe within the State of Rhode Island, including Narragansett Bay and its coastal waters, to the three mile limit, while possessing shells loaded with any shot other than non toxic shot (e.g., steel, bismuth-tin, tungsten-iron, tungsten-polymer, tungsten-matrix, and tungsten-nickel-iron shot) and other shot as approved by USFWS. **All shot larger than BB is prohibited, including duplex loads containing shot larger than BB.**
- 8.7 Allowed methods of taking and prohibited methods of taking migratory birds and waterfowl, are the same as set forth in 50 CFR 20 (sub parts A through N) of the U.S. Department of the Interior, Fish and Wildlife Service, made under the provisions of an Act of Congress relating to migratory birds and waterfowl. A HIP permit is required for hunting all migratory birds. HIP permits will be available at local vendors. Instructions and details will be available prior to the seasons. In addition, hunters must purchase a federal and state duck stamp to hunt waterfowl.
- 8.8 Canada Goose: The open season for Canada goose is:  
September 1 - 30, 2009.

Daily bag limit is 15/30 in possession [subject to Federal approval].

A permit must be obtained from the RI Division of Fish and Wildlife prior to hunting during the special September Canada Goose Season by sending a LEGAL SIZE self-addressed stamped envelope to: RI Division of Fish and Wildlife, 277 Great Neck Road, West Kingston, RI 02892 and must be returned per date designated on permit regardless of hunting success. One request per envelope. Hunters must return the permit to be eligible for the 2009 Special Goose Season to above address.

- 8.9 Sea Ducks: The season for sea ducks (eider, long-tailed duck & scoter) is:  
October 10, 2009– January 24, 2010  
Daily bag/possession limits 5/10, no more than four (4) of which may be any one species.

## **PART IX UPLAND GAME**

- 9.1 Legal shooting hours for all game birds and mammals, except dove, turkey, migratory birds, coyote, deer, and raccoon will be sunrise to sunset, except as otherwise provided. On October 17, 2009 legal shooting hours will be 7:00 AM to sunset. (See 13.2.1.)
- 9.2 Open season for Red Fox, Gray Fox, Gray Squirrels, Cottontail Rabbits, and Snowshoe Hare is as follows:

October 17, 2009 through the last day of February, EXCEPT, during the state land portion of the shotgun deer season (December 5-13, 2009). State land will remain open during the private land portions of the shotgun deer season (see Section 3.1B). Provided, however, that small game hunting is prohibited on private land during the shotgun deer hunting season as described in section 3.1B.

Prudence Island:

November 1, 2009 - November 30, 2009 EXCEPT on Northern Prudence Island Management Area the season is: January 4 - 31, 2010 inclusive. South Prudence and Patience Management Areas closed to shotgun small game hunting.

Daily Bag limits:

Cottontail rabbits – three (3)

Snowshoe hare – one (1)

Gray squirrels – five (5)

There is no bag limit for fox.

- 9.3 Open season for Ruffed Grouse, Bobwhite Quail, & Pheasant is as follows:

Ruffed Grouse & Quail: October 17 – November 29, 2009.

Ruffed grouse hunting is CLOSED in the Arcadia Management Area.

Ring-neck Pheasant: October 17, 2009 – January 20, 2010.

(See 9.3.1 and 9.3.2)

Junior Pheasant Hunting Weekend: October 10 & 11, 2009

(See 9.3.5)

Closed during state land shotgun deer season, December 5-13, 2009, and during the private land shotgun deer season as described in section 3.1B.

- 9.3.1 Pheasant Permit:  
Hunters are required to purchase a pheasant permit (\$15.50) of six (6) tags in order to hunt pheasants. Upon harvesting a pheasant, hunter must detach a tag from the permit and affix the pheasant tag to the bird's leg. Pheasant(s) in possession without an attached pheasant tag will be in violation of regulations. Hunters may purchase multiple pheasant permits per season.
- 9.3.2 Season and Bag Limits  
Ring-neck Pheasant: two (2) birds daily.  
Ruffed Grouse: one (1) bird daily  
Bobwhite Quail: three (3) birds daily
- 9.3.3 Prudence Island:  
November 1 - 30, 2009 - EXCEPT that on northern Prudence Island Management Area the season is January 4 – 31, 2010, inclusive. South Prudence and Patience Management Areas are closed to shotgun small game hunting.
- 9.3.4 On New Shoreham (Block Island), the open season on male ring-necked pheasants, with a daily limit of two (2) male pheasants, is as follows:  
November 18 and 25, 2009  
December 2, 9, 16, 23, 30, 2009  
January 6, 20, 27, 2010  
  
Daily bag limit (2) male pheasants
- 9.3.5 Junior Pheasant Hunting Weekend:  
  
Pheasant hunting is permitted during the special Junior Pheasant Hunting Weekend, October 10 & 11, 2009 for those junior hunters in possession of a valid Rhode Island Hunting License and a 2009 pheasant permit. Junior hunters must be accompanied by at least (1) one parent or legal guardian, age 21 years or older, who holds a valid Rhode Island hunting license. An adult may accompany no more than two (2) junior hunters at one time. The accompanying adult is prohibited from carrying a firearm and hunting pheasant. Hunting will only be permitted at the Great Swamp Management Area in West Kingston and at Durfee Hill Management Area in Glocester. Pheasant stamps are required (see 9.3.1) Bag limit is (2) two pheasants per day. Registration is required no later than September 10, 2009. Adults may call Fish & Wildlife Field Headquarters at 789-0281 or Hunter Education at -782-4828 for information. A limit of 50 parties per management will be permitted. In the event of fiscal constraints, the program may be altered.

9.4 No person shall possess a live, artificially propagated pheasant without having a valid game propagation permit in his/her possession.

9.4.1 Each artificially propagated pheasant must be tagged upon harvest for identification with a tag supplied by the Division, at cost to the game propagation permittee.

9.4.2 Permits for propagated pheasant hunting are available from the Division of Licensing, Room 360, 235 Promenade Street, Providence, RI 02908. Such permit shall be issued upon a demonstration that the applicant has met each of the following requirements:

- a. Payment of five dollars (\$5.00) permit fee.
- b. Presentation of proof that the applicant is a bonafide hunting club at the time of the application or application of renewal.
- c. Presentation of proof that the applicant is a bonafide hunting club owning a single body of land consisting of twenty-five (25) or more acres at the time of the application or application of renewal. (hereinafter referred to as the 'site').

9.4.3 Each game propagation permittee must keep an accurate record of all pheasants held by it; how, when, and where acquired; how many released and when released; and how many taken on the site. Permittee must provide this information to the Department within twenty-four (24) hours of the receipt of a request for such records from a Department staff member or no later than March 15th following the closure of the season.

9.4.4 Each game propagation permittee is authorized to release and harvest pheasants upon its site during the pheasant hunting season provided above in Section 9.3 for the taking on the site by club members and their guests provided the following restrictions are observed:

- a. Pheasants may only be taken by hunters with a valid Rhode Island license. Hunters are not required to have a state pheasant permit; however, hunters must tag each harvested pheasant with the game propagation tag as required in 9.4.1 and 9.4.2.
- b. Hunters may not exceed the daily bag limit for pheasant provided above in 9.3.2, i.e., no more than two (2) may be harvested on the site during any day per hunter.

9.4.5 If a game propagation permittee is found to have provided false information in conjunction with its application pursuant to Section 9.4.2, fails to comply with Section 9.4.3, or if it or a member or guest violates Section 9.4.3, the subject permit shall be revoked for the remainder of the season and the action of the permittee or its member shall be considered if and when the permittee applies for re-issuance of a permit. Pursuant to RI Gen. Laws, Chapter 42-17.7, a permittee who feels aggrieved by an enforcement action to revoke the subject's permit and who seeks an adjudicative hearing must seek such hearing by filing a written request with the Administrative Adjudication Division, 235 Promenade St., Providence, RI 02908 within twenty (20) calendar days of receipt of notice of revocation. A permittee who feels aggrieved by a permit denial and seeks an adjudicative hearing must seek such hearing by filing a written request with the Administrative Adjudication Division, 235 Promenade St., Providence, RI 02908 within thirty (30) calendar days of receipt of the contested agency action.

- 9.5 The hunting seasons on woodchucks, crows, English sparrows, starlings, and rock doves is closed on Prudence Island at all times, EXCEPT during the period November 1 through November 30, annually, or as otherwise provided. South Prudence and Patience Management Areas are closed to shotgun small game hunting. See 11.9.1.1 on coyote hunting on Prudence Island.
- 9.6 The hunting of any species of wildlife EXCEPT white-tailed deer, coyote, and waterfowl as provided, or as otherwise provided, is prohibited in Providence, Kent, Washington, Newport, and Bristol Counties during the annual shotgun deer season.

## **PART X WILD TURKEY**

10.1 Season bag and possession limits: One (1) bearded turkey in the spring season and (1) either sex turkey in the fall season. A separate permit must be purchased to hunt in each season. Refer to 7.1, 7.4 and 7.5 for additional permits on cooperative hunting areas.

10.2 Spring Turkey Seasons Dates:

- A. Special Season - Paraplegic hunters April 24 and 25, 2010
- B. Junior Turkey Hunting Weekend - April 24 and 25, 2010
- C. Statewide: April 29 – May 25, 2010

10.3 Fall Archery Season:

October 1 – 28, 2009

10.4 Special Paraplegic Season:

10.4.1 A special turkey permit must be obtained from the DEM-RI Division of Fish and Wildlife. Hunting in this season will be limited to paraplegic hunters only.

10.4.2 An application signed by a physician for a first-time hunter is required. Applications are obtained from DEM Division of Licensing.

10.4.3 None of the hunter's assistants will be allowed to hunt or carry firearms at any time.

10.5 Junior Turkey Hunting Weekend:

10.5.1 Wild turkey hunting is permitted during the Junior Turkey Hunting Weekend for those junior hunters, (ages 12-14), in possession of a valid Rhode Island hunting license. Junior hunters must be accompanied by at least one parent or legal guardian at least 21 years of age or older who holds a valid Rhode Island hunting/archery license. An adult may accompany no more than two junior hunters at one time. The accompanying adult is prohibited from carrying firearms and bows.

10.5.2 Bag limit is one (1) bearded turkey per license per year.

10.5.3 An adult accompanying a junior hunter may not carry a bow or firearm while hunting, but is permitted to assist the junior in calling the bird.

10.6 The Division reserves the right to alter the number of permits and the number of hunting days at any time.

10.7 The hunting of wild turkey is allowed in the following areas: Providence County; Kent County; Washington County; as well as Tiverton and Little Compton in Newport County.

10.8 Hunting hours: Spring hunting hours are one half hour before sunrise to 1:00 P.M. Eastern Daylight Time, daily, provided that all hunters leave the woods no later than 1:00 P.M. Fall hunting hours are one-half hour before sunrise until sunset.

10.9 Authorized firearms and archery equipment: The methods of taking are limited to shotguns, gauges 10, 12, 16, and 20 only, with shot sizes 4, 5, and 6 magnum loads only; and by archery equipment consisting of a long bow (straight limb, reflex, re-curve, and compound bow) of not less than forty (40) pounds pull, and broadhead arrows with at least two cutting edges seven eighths inches (7/8") or greater at the widest point. A bowstring release device where the bow is hand held, hand drawn and finger released is allowed. Legal bows must meet the definition of a legal bow in sections 4.5 and 4.5.1. Crossbows not permitted. Possession of a firearm while archery hunting for turkey is prohibited.

10.10 Prohibited Activities:

10.10.1 The use of any other firearm, live decoy(s), baiting, cooperative drive(s) electric calling devices or any other devices to capture or ensnare turkeys is prohibited.

10.10.2 Stalking or attempting to sneak up on a turkey to get a shot is prohibited.

10.10.3 Hunters are prohibited from hunting unless they are carrying a turkey calling device (non-electric). Calling is the only legal method for hunting wild turkey. An individual with a valid Rhode Island hunting license may call turkeys for hunters with a valid turkey permit.

10.10.4 A person is prohibited from hunting, killing, taking or attempt to take, or possessing any wild turkey unless they possess on their person a valid R.I. hunting license and a valid turkey hunting permit.

10.11 Checking Requirements: A person killing a wild turkey must immediately sign, complete and attach to the leg in a conspicuous manner the turkey tag provided with the permit. The tag must remain attached to the turkey and presented to an authorized check station within 24 hours. The Division retains the right to sample any and all tissues deemed necessary. The tag must remain attached until the carcass is prepared for consumption or taxidermy.

10.12 A mandatory hunter survey card will be issued to each person purchasing a turkey permit. This hunter survey must be returned to the Division within ten (10) days of the end of the season whether or not you hunt or were successful.

## **PART XI FURBEARERS**

11.1 Furbearers as listed by RIGL 20-16-1.

11.2 Raccoon -

Open Season - The open season for raccoon is from 6:00 PM October 1, 2009 through the last day of February 2010, inclusive; excluding the period of Shotgun Deer Season: December 5 – December 20 and December 26 and 27, 2009, January 2 and 3, 2010 statewide. Raccoon season will remain open December 14-20, 2009 on State Management Areas. That portion of Providence County east of the Blackstone River will remain open to raccoon hunting during the shotgun deer season.

Bag Limits - There is no season limit on raccoon. There are no limits to the taking of raccoon by bow hunters as provided above, or under special permit on Prudence and Patience Islands. There is no bag limit.

11.2.1 In the Town of Portsmouth on Prudence Island, the season is limited to January 4, 2010 through the last day of February 2010, inclusive, with written permission of the landowner. Bow hunters with a valid deer archery permit may take raccoon on Prudence Island during legal deer hunting hours October 23, 2009 – January 3, 2010 or until the quota is filled.

Bag Limits – There are no limits to the taking of raccoon by bow hunters as provided above, or under special permit on Prudence and Patience Islands.

11.3 The trapping season for gray fox, red fox, mink, muskrat, opossum, rabbit, raccoon, skunk, and weasels is November 1, 2009 – January 31, 2010 inclusive. Traps may not be set, staked, or placed prior to 8:00 AM on opening day, November 1st, annually.

11.3.1 The trapping season for beaver on private land is November 1, 2009– February 28, 2010, inclusive. The trapping season for beaver on state management areas is December 1, 2009 – February 28, 2010 inclusive. Traps may not be set, staked, or placed prior to 8:00 AM on opening day. Setting traps within ten (10) feet of a beaver lodge/bank den is prohibited, unless specifically allowed under a nuisance permit. All trappers participating in beaver trapping must first obtain both a Special Permit (no fee) issued by the Division of Fish and Wildlife Field Headquarters as well as a current RI Trapping License. There is a bag limit of twenty (20) beaver.

11.3.2 The trapping season for fisher (*Martes pennanti*) is December 1- 21, 2009, inclusive. All trappers participating in the fisher trapping season must obtain a special permit (no fee) from the Division of Fish and Wildlife, Great Swamp Field Headquarters in addition to their current R.I. trapping license. The season limit for fisher is four (4) per permit. All fisher pelts must be presented for tagging, in accordance with fisher permit requirements but no later than December 30, 2009. In addition, all fisher carcasses or any part thereof, as determined by the Division, must be turned in to the RI Division of Fish and Wildlife, Great Swamp Field Headquarters. No fisher pelts will be tagged without the submission of the carcass or required parts to Fish and Wildlife. A trapper survey card will be issued to each permittee and must be returned to the Division at the close of fisher season. The Division of Fish and Wildlife reserves the right to alter the number of permits or the number of fisher harvested at any time. All other general trapping regulations apply. All permittees may be subject to administrative penalties of up to \$1,000.00 for violation of any of these regulations pursuant to RIGL Chapter 42-17-6.

11.3.3 There is no closed season for trapping coyotes on private lands. The trapping season for coyotes on state lands is November 1<sup>st</sup> to January 31<sup>st</sup> inclusive. The use of foothold traps (RIGL 20-16-8) or snares (RIGL 20-16-6) is prohibited. All other general trapping regulations apply.

11.4 Body gripping "Conibear" type traps in sizes 110, 120, or 160 (or equivalent) not to exceed 6½ inch jaw spread as measured from hinge to hinge), are permitted on land or in water; Size 220 (or its equivalent, not to exceed 8 inch jaw spread) is permitted only if such trap is completely submerged in water, or placed at least six (6) feet above the surface of water or ground (i.e., trees). All other "Conibear" type traps are prohibited except as provided in 11.4.1 and 11.5.

11.4.1 For the taking of beaver, the use of 220 and 330 "Conibear" type traps are permitted, only, if such traps are completely submerged underwater and in a vertical position. Trap jaw spread not to exceed 10 inch opening when set.

11.5 Permits to trap state land are required in addition to a current Rhode Island trapping license, and are obtainable from the Division of Fish and Wildlife Field Headquarters, Great Swamp Management Area, West Kingston, RI. Only the use of body-gripping (i.e., conibear) type traps or "box" (i.e., live) traps are permitted on state lands as specified. Body-gripping traps, sizes 110, 120, or 160 or equivalent, are permitted only if such traps are used in water sets (i.e., all or a portion of the trap is submerged in water) or placed no less than six (6) feet above the surface of the ground. The use of body gripping traps, size 220 and 330 or their equivalent (jaw spread not to exceed ten (10) inches is only permitted if such traps are completely submerged in water (in a vertical position). All traps placed on state lands must be affixed with the name, address and Rhode Island trapping license number of the owner.

- 11.6 All traps must have the valid license number of the trapper embedded or cut into the trap, or a metal tag attached to the trap which, as a minimum, bears the trapper's license number as designated in RIGL 20-16-7.
- 11.7 There is no open season on bobcat (*Lynx rufus*) or otter (*Lontra canadensis*).
- 11.8 Possession, at any time, of a pelt or carcass of an otter, fisher, bobcat or beaver that has not been tagged by an approved state or federal agency is prima-facie evidence of illegal taking. Otter or bobcat taken under RIGL 20-16-2, RIGL 20-16-8 or otherwise, shall not be tagged for personal use or ownership and must be presented to the Division of Fish and Wildlife or the Division of Law Enforcement within 24 hours of taking. Beaver and fishers must be tagged in accordance with 11.3.1 and 11.3.2, respectively.
- 11.9 There is no closed season for woodchuck, red squirrel or coyote on private lands. During the firearms seasons for deer, all coyote hunters must possess a valid shotgun or muzzleloader deer permit for their respective seasons. The legal hunting hours for woodchucks and coyotes is one-half hour before sunrise to one-half hour after sunset. The use of electronic calls or decoys for hunting coyotes is permitted. There is no bag limit on woodchuck or coyote. Refer to RIGL 20-13-13 for firearms restrictions.
- 11.9.1 The hunting season for coyotes on state lands shall be from the beginning of dove hunting season in September to the last day in February inclusive and during the open spring turkey hunting season. The hunting season for coyotes on Prudence Island shall be: On state land during archery season with a valid archery permit, during the upland game season on private land, November 1 – November 30, 2009 and on N. Prudence Management Area during upland season, January 4 – January 31, 2010.
- 11.9.2 During the spring turkey season, coyote hunters must possess a valid turkey hunting permit while hunting on state lands.
- 11.9.3 Coyote hunters on state lands must wear a minimum of 200 square inches of fluorescent orange during the small game hunting season. During the shotgun deer season, 500 square inches is required.
- 11.9.4 The placement or use of bait or carcasses for purposes of hunting coyotes on state lands are prohibited.

- 11.10 It is unlawful to take or possess a road-killed furbearer unless with possession of a current Rhode Island trapping license and the furbearer is taken during the open season for the species, or as provided for under the provisions of a current Rhode Island Scientific Collector's Permit (RIGL 20-1-18). Exceptions may be granted at the discretion of the Division.
- 11.11 The translocation of protected furbearers (RIGL 20-16-1) is prohibited without prior written approval of the Division of Fish and Wildlife.
- 11.12 The use of "species specific" type traps as described in the definitions section of these regulations is permitted for trapping furbearers on private and state lands. A legal species specific trap is characterized by all of the following:
- 11.12.1 Triggering and restraining mechanisms are enclosed within a housing.
  - 11.12.2 Triggering and restraining mechanisms are only accessible through a single opening when set;
  - 11.12.3 The access opening does not exceed two inches in diameter;
  - 11.12.4 The triggering mechanism can only be activated by a pulling force.
  - 11.12.5 A swivel mounted anchoring system.

## PART XII REPTILES AND AMPHIBIANS

- 12.1 The removal from the wild, for any purposes, of any reptile or amphibian (except bullfrogs, green frogs, and snapping turtles) to include their nests and eggs is prohibited except by special permit. The taking of snapping turtles at any time is limited to the following methods: turtle traps, snagging, snaring, grabbing, jugging, bow and arrow, or while legally fishing. Turtle traps must have a metal tag attached, which, at a minimum, bears the trapper's name and address. Jugs must be marked indelibly with name and address of trapper. The taking of snapping turtles for commercial purposes is prohibited except by special permit.
- 12.2 The following species of reptiles and amphibians to include their nests and eggs are protected and possession without permit is prohibited at all times: Timber rattlesnake, *Crotalus horridus*; northern diamondback terrapin, *Malaclemys terrapin*; wood turtle, *Clemmys insculpta*; eastern box turtle, *Terrapene carolina*; spotted turtle, *Clemmys guttata*; and bog turtle, *Clemmys muhlenbergi*.
- 12.3 The release into the wild of any non-native reptile or amphibian is prohibited.

## **PART XIII MANAGEMENT AREAS**

- 13.1 The possession of a valid Rhode Island hunting, or combination hunting and fishing license, serves as the permit to hunt State Management Areas, and Tidal Lands pursuant to Title 20, Chapter 18, §§ 20-18-2 and 20-18-3 of the RI General Laws.
- 13.2 Permit is valid from the first day of dove season in September through the last day of February, except when check stations are in operation for upland game at the Great Swamp, Carolina, Durfee Hill, and Arcadia; for turkey hunting; when special permits are required for deer hunting; or for waterfowl hunting on state lands. (See current abstract for check station dates). Bow hunters and muzzleloading hunters hunting deer on state management areas do not need to check in or out.
- 13.2.1 In the event of fiscal constraints, check station hours of operation are subject to change. Notification will be provided by signage and news release. In addition, management areas may be closed for pheasant stocking at noon until sunset, Friday, 10/9/09; Tuesdays and Fridays from 10/13/09 until 11/20/09; Wednesday, 11/25/09; and Fridays beginning 12/4/09 until the close of season 1/15/10.
- 13.3 The carrying of firearms on state management areas at any other time is prohibited except as provided in Management Area Regulations 11.1. On management areas and designated undeveloped parks, the carrying of firearms and bows and arrows at any time, except during the open season for game birds and mammals, and while on shooting ranges, is prohibited. In addition to above, blank guns are permitted for the purpose of dog training in designated areas from January 1 to September 30.
- 13.4 Individuals must check in, and out, of state management hunter check stations each day they are open for upland season. Check station dates will be listed in the current Hunting Season Abstract. See section 9.1 for upland game hours.
- 13.5 Dog training and all hunting, except for bow hunting for deer, and waterfowl hunting, as provided, is prohibited on state land during the period of October 12-16, 2009 unless otherwise provided.
- 13.6 From the period April 1 through August 15, annually, the following are prohibited except by special permit: trespassing, disturbing, or molesting of any species of nesting birds on Hope Island in the West Passage, East Island and West Island off Sakonnet Point, or Gould Island in the East Passage. All cats, dogs, and other domestic animals are prohibited at all times upon these Islands, except that hunting dogs may be used during that period set aside by the Department for hunting of game birds and mammals on Hope Island only.

- 13.7 All users of State Management Areas and undeveloped State Parks are required to wear solid daylight fluorescent orange during appropriate seasons; see Part 14.5.6 for details.
- 13.8 The possession and/or use of paint guns on state management areas are prohibited. See RIGL § 32-2-4.
- 13.9 A hunting license is required when training dogs on wild game on state management areas, except when participating in state-sanctioned field trials.
- 13.10 Complete dressing of game birds and mammals on state property is prohibited. Field dressing (removal of entrails only) is permitted. Head, skin, feathers, wings, tails, etc., must remain attached to the carcass.
- 13.11 Dogs on State Management Areas allowed only under the following rules.
  - 13.11.1 No dogs are allowed to be trained, run, exercised, or be permitted to run at large on state management areas from March 15 to August 15, inclusive, without written permission of the Division of Fish and Wildlife except as otherwise provided in these regulations (13.5 and 13.12).
  - 13.11.2 Walking of dogs on a leash of not more than 25 feet in length is permitted on roads and trails only.
  - 13.11.3 All dogs must be wearing a collar with the name and address of the owner or handler and license tag.
- 13.12 Dog Training Areas—Dog training is allowed on designated areas only, between January 1 and September 30. During this period, dogs may run freely provided they are under the command of the trainer by voice, training collar, or check cord.
  - 13.12.1 Areas designated for training dogs are: the Black Farm Management Area; the Nicholas Farm Management Area north of the Trestle Trail; and the Arcadia Midway Trail Area confined to the developed field complex east of Brook Trail, south of Austin Farm Road and west of the established field edges comprising the Midway fields area. Field trial areas are as depicted on maps drawn by the Division of Fish and Wildlife.
  - 13.12.2 Training hours are sunrise to sunset.
  - 13.12.3 All persons using areas for training must possess a hunting license.

- 13.12.4 All dogs using areas must be licensed and have proof of rabies vaccinations.
- 13.12.5 Training with live birds (pheasants/quail) is permitted provided the bird is released unharmed and all necessary permits are obtained.
- 13.12.6 Shooting of live birds for training purposes is prohibited.
- 13.12.7 Sanctioned field trial events may be held at the following locations by requesting a special permit from the Division of Fish and Wildlife: Arcadia, Carolina, Durfee Hill Marsh, and Burlingame (Durfee) Pond, and Nicholas Farm.

### 13.13 JOHN L. CURRAN STATE PARK/MANAGEMENT AREA

- 13.13.1 All hunting must be within the inner boundaries of the buffer zones marked as posted by the Department.
- 13.13.2 Only shotguns and bow & arrows may be possessed or used while hunting.
- 13.13.3 The hunting of and/or possession of Mourning Dove or Wild Pigeons (Rock Dove) is prohibited.

13.14 SIMMONS MILL POND MANAGEMENT AREA – Only archery equipment, bow and arrows, may be possessed or used while hunting white-tailed deer within the Simmons Mill Pond Management Area in Little Compton. Sunday hunting will be allowed.

### 13.15 DUTCH ISLAND

The entry upon Dutch Island is prohibited. No person is allowed to enter onto Dutch Island without the specific written permission of the Director.

### 13.16 SEAPOWET and EIGHT ROD FARM MANAGEMENT AREA:

Sunday hunting will be allowed within the Eight Rod Farm Management Area. No Sunday hunting will be allowed at Sapowet. No shotgun and/or muzzleloader deer hunting on Sapowet.

13.17 GEORGE WASHINGTON GROVE: Designated as an undeveloped state park and is open to hunting.

13.18 GALILEE BIRD SANCTUARY: Open to archery deer hunting only.

## PART XIV GENERAL

- 14.1 Taking of moose or bear by any method is prohibited except as provided under special permit issued by the Director of the Department of Environmental Management.
- 14.2 The importation, exportation, possession, liberation, rehabilitation or sale, offer for sale, barter, or offer for barter of **mute swans and their eggs** is prohibited, except by special permit issued by the Director of the Department of Environmental Management or his/her designee.
- 14.3 The importation, exportation, possession, liberation, or sale, offer for sale, barter, or offer for barter of any live or pen-reared **wild turkey** or eggs of a wild turkey is prohibited. The possession of any dead untagged wild turkey is prohibited.
- 14.4 There is no closed season for monk parakeets or rock doves (wild pigeons).
- 14.5 Fluorescent Orange Requirement: Fluorescent orange safety clothing is required during the hunting season statewide for all hunters. To meet this requirement, safety clothing must be solid daylight fluorescent orange. Fluorescent camouflage does not meet this requirement. The hunter orange must be worn above the waist and be visible in all directions. Examples that meet the orange requirements are a hat that covers 200 square inches or combination of hat and vest covering 500 square inches. The following orange requirements apply:
- 14.5.1 Two hundred (200) square inches by small game hunters during the small game season.
  - 14.5.2 Two hundred (200) square inches by fall turkey hunters while traveling.
  - 14.5.3 Two hundred (200) square inches by muzzleloaders during muzzleloading deer season.
  - 14.5.4 Two hundred (200) square inches by archers when traveling to/from stands during muzzleloading deer season.
  - 14.5.5 Five hundred (500) square inches by all hunters and other users (including archers) during shotgun deer seasons.

- 14.5.6 **Exempt from fluorescent orange requirements are:**
- waterfowl hunters hunting from a boat or a blind, over water or field, when done in conjunction with decoys.
  - archery deer hunters (except during muzzleloader and shotgun deer season).
  - hunters crow hunting over decoys.
  - spring turkey hunters and
  - first segment dove hunters.
  - not required in areas limited to Archery only by regulation.
- 14.5.7 All other users of State Management areas and undeveloped State Parks, including but not limited to hikers, bikers, and horseback riders, are required to wear two hundred (200) square inches of solid daylight fluorescent orange from the third Saturday in October to the last day of February, and the last Thursday in April to the last day in May, annually.
- 14.6 All dogs being utilized in hunting activities must wear a collar with a valid license tag, and the name and address of the owner or handler.
- 14.7 Waterfowl hunting is permitted no more than 10 feet above mean high water on Prudence Island, except during the early waterfowl season, as established by federal regulation and during November 1 - 30.
- 14.8 Shooting at any animal at any time, while such animal is on a telephone line, pole, or tower, or electric line, pole, or tower, or any communication device is prohibited.
- 14.9 A muzzleloading rifle, not to exceed .40 caliber with round ball and patch only, may be used to hunt small mammals during the established seasons for these species. The use of solid ball in a muzzleloading shotgun is prohibited at all times, except when deer hunting as provided.
- 14.10 Air gun rifles are permitted to hunt the following small mammals: gray squirrels, red squirrels, woodchucks, cottontail rabbits, and snowshoe hare provided that the air guns are a minimum of .177 caliber and not larger than .22; a minimum of 750 FPS velocity with pellets 7.5 grain or larger.

14.11 The use or possession of laser sights that project a beam or night- vision equipment while hunting is prohibited. During the period October 1, 2009 through January 31, 2010, casting of rays of artificial lights, including spotlights, headlights, or other artificial light, at any time, on any highway or roadway, whether public or private or on any field, woodland, residential property or forest, on any building or farm animal, for the purpose of spotting, locating or attempting to spot or locate any wild animal or wild bird is prohibited.

14.12 It is prohibited to import or possess game birds for the purpose of liberation or stocking of said game birds into the State of Rhode Island without first having received a permit to do so from the Division of Fish and Wildlife. Persons holding a commercial game license or shooting preserve license may liberate game birds or mammals in connection with field trials and shooting preserves. (See RIGL 20-2-16.1, 20-2-29, and 20-17-1).

14.13 Feeding and baiting wildlife in Rhode Island: feeding wild waterfowl, wild turkey or wild cervids, black bear and coyote is not permitted any time in the state of Rhode Island except:

14.14 Under a license or permit issued by the Department pursuant to RI General Laws §20-1-18 for bona fide scientific research within an enclosed pen;

14.14.1 By planting, cultivating, or harvesting of crops directly associated with bona fide agricultural practices, including planted wildlife food plots;

14.14.2 By distribution of food material for livestock directly associated with bona fide agricultural practices; by distribution of food material for legally possessed captive wildlife, pursuant to a permit;

14.14.3 By cutting of trees or brush; or

14.14.4 Elevated bird/squirrel feeders providing seed, grain, fruit, worms or suet for birds or squirrels located within 100 feet of an occupied dwelling.

14.14.5 Baiting coyotes on private land for purposes of hunting.

14.14 Distribution of Certain Food Material – Feeding wild or captive cervids with any material that contains protein derived from any mammalian tissues is prohibited.

## **RULE 8 EFFECTIVE DATE**

The foregoing Rules and Regulations - Hunting Regulations after due notice, are hereby adopted and filed with the Secretary of State to become effective 20 days after filing, in accordance with the provisions of Chapter 20-1-2 20-1-4, 20-1-8, 20-1-12, 20-1-13, 20 -18, and 42-35 of the General Laws of Rhode Island of 1956, as amended.
