Dear Mr. Scott:

The Department of Environmental Management is pleased to submit a Performance Partnership Grant request for Federal Fiscal Year 2000. In discussions with Robert Mendoza and William Nuzzo of your office, this application is to be submitted as an amendment to the Department's application for federal assistance submitted on July 31, 1999 as a Performance Partnership Grant for the Pesticide Program activities for \$381,949. Inclusive of the Pesticide Grant, the attached request represents a total state and federal funds request of \$8,459,142.

The submission of this application is fully consistent with the Department's effort under its Performance Partnership Agreement (PPA) and its detailed work plans, both of which are undergoing review and discussions with EPA representatives.

Should you have any questions on this submission, please feel free to contact Frederick J. Vincent, Associate Director for Policy & Administration at (401) 222-4700, extension 2405.

Sincerely,

Jan H. Reitsma  
Director
