Do you always remember to bring a bag for your dog's waste when you go on a walk? (insert name of org or town) wants to ensure that you do, and they're providing Bags on Board® for free!

Pet waste contributes to pollution of our Bay when it is washed into the storm drain system or directly into water resources. The Town's new ordinance requires dog owners to pick up their pet's waste and throw it in a trash can. Bags on Board® makes it even easier to remember to do that!
